

Recommendation

That

1. Council authorise staff to notify IPART of its intention to prepare a Special Variation application for a \$2.13m loan-funded special rate levy ('Special Rate Variation') so that Council can provide essential road infrastructure in Verons Estate;
2. 17% of the total cost be met by the broader rate base based in recognition of the potential benefit of the road upgrades to the broader community including properties fronting Sussex Inlet Road which have rear access onto Mokau Road.
3. Further details of the proposed funding arrangement be refined in consultation with the affected landowners; and
4. Unless there are substantial changes to the details provided in this report, the Special Rate Variation application to IPART be submitted before the February 2017 deadline.
