

Who we are:

- *Road Freight NSW is the peak industry organisation in NSW representing trucking operators.*
- *Our members range from some of the nation's largest transport companies, with many hundreds of employees, through to small family businesses operating with less than 5 employees.*

The voice of the road transport industry in NSW

Our Value Proposition:

- Strong media presence and leadership on key issues
- Weekly newsletters called Freight News
- Policy Advocacy with RMS and the NHVR
- Lobbying State and Federal Ministers, their staff and bureaucracies on matters affecting our members
- A collective approach to issues based on a sub-committee network
- RFNSW Partner network

The voice of the road transport industry in NSW

RFNSW Partner network:

- **Australian Industry Group (AIG)** on industrial relations for award advice, workplace relations and cases. Your workplace insurance.
- **Holding Redlich** who provides our members with updates and legal advice/advocacy for our members in the Courts and for compliance. Your legal insurance.
- **BP** who provide member only discounts on fuel off the pump and other services. Your quality fuel supplier.
- **NTI** who provide quality insurance to our members. Your insurance.
- **Linde Material Handling** who provide high quality forklifts.

Advocating for our members interests..

- Quarterly meetings with RMS and the NHVR
- Meeting with RMS over A-Double trials on the Hume
- Engaging with Work Safe and Service NSW to cut red tape for business
- Holding annual 1-day Conference at Rooty Hill
- Consultation with members on issues that affect them.
- Submissions to government like the ACCC and the Senate Committees on issues that effect you!
