

It's Baby Bat Season

Flying-foxes are a vulnerable (threatened) and protected native animal. As cute as they are, some (less than 1% of the total population) may carry Australian Bat Lyssavirus.

Flying-foxes should be handled by approved vaccinated rescuers/carers only.

**IF YOU SEE A FALLEN, SICK OR INJURED BAT
OR ANY ON THEIR OWN DURING THE DAY,
PLEASE DO NOT TOUCH IT.**

**CONTACT WILDLIFE RESCUE SOUTH COAST
ON 0418 427 214 FOR ASSISTANCE.**

REMEMBER: NO TOUCH, NO RISK!
