Important Information

Has a Development Application for a Construction Certificate application been lodged for construction works to be carried out? Yes No DA No:.....

Pruning also includes lopping and topping of trees. For the purposes of Council's DCP Chapter G4, lopping and topping will not be approved unless it relates to dead and/or diseased branches or limbs which are a safety hazard.

NOTE:

Leaves blocking gutters will not, in itself, be considered justification for approval to remove trees.

The applicant may be required to submit a report from a qualified arborist to justify the proposed works.

NB. The owner(s) must consent to the lodgement of the application. See item "Owner's Declaration".

Information to be Submitted with Application

- 1. An A3 or A4 sized site plan drawn to scale showing the location of the proposed works in relation to any buildings and property boundaries.
- 2. Arborist Reports will be required for applications for:
 - a. Significant street trees.
 - b. Pruning/removal of Toona australis (Red Cedar).
 - c. When additional supporting information is required.
- 3. Landscape Plan will be required for applications for:
 - a. Tree/vegetation removal in Scenic Protection AREAS as mapped by Shoalhaven Local Environment Plan 2014.

NOTE:Heritage sites (European or Aboriginal) will require a development application submitted with an arborist report & heritage impact statement or Aboriginal heritage impact permit.
