

# **Community Development Support Expenditure Scheme (CDSE) 2011 Successful Applicants**

The Shoalhaven Local Committee received 145 applications for funding under the CDSE Grants Scheme 2011. These applications requested a total funding of over \$769,000. Local Clubs funded 90 of these applications totalling \$263,308.

The Shoalhaven Local Committee is made up from representatives of Department of Community Services (DoCS), NCOSS, South Eastern Area Health and an Aboriginal Community Representative.

Shoalhaven City Council administered the CDSE scheme, and in partnership with the Shoalhaven Local Committee determined local priority needs of the Shoalhaven Local Government area. Applications were assessed by the Shoalhaven Local Committee against these priorities and recommendations presented to local Clubs for their consideration. Local Clubs make the decisions on which projects would receive funding under the CDSE Scheme.

Funding was provided for CDSE 2011 by the following local Clubs:-
