**Ride Finishes:** Moss Vale Rd, Kangaroo Valley Village  
 Map Ref: Nowra ND D3  
**Total Distance:** 24.2 kms  
**Degree of Difficulty:** Easy  
**Bike Recommended:** Road  
**Cautions:**  
**Allow:** Two and a half hours

An easy, short road ride from Kangaroo Valley township following the Kangaroo River towards its source. The outward journey climbs gently through the dairy farms and patches of thick forest, overlooking this beautiful river, with spectacular views of the sandstone escarpment above the narrow valley. Once you reach Upper Kangaroo River settlement, the adventurous with mountain bikes will be tempted to explore further.

### kms

- 0.0 Leave Kangaroo Valley shops on the cyclepath (starts at the School).
- 1.5 Cyclepath ends – Hampden bridge.

### Variations on this route/alternative activities:

- \*1. The road continues beyond here for approximately 5 km to service the farms and a *flora & fauna* reserve (part of *Budderoo National Park*), 4.3 kms from the Hall. It would be impassable in wet weather (there are two rough, rocky and wet creek crossings before you get to the Reserve) and a mountain bike is essential even in fine weather.
