Shops/Facilities/Water: Cudmirrah, Bendalong.

Bike Shops, emergency spares: Closest Sussex Inlet (see p 6)

Variations on this route/alternative activities:

*1. Bendalong has a large Tourist/Caravan Park. Spend the night here and explore further along this part of the coast.

A varied mountain bike ride which explores the coastal forests between Sussex Inlet and Bendalong. The riding is challenging enough. Close to the coast, there are many creeks to be crossed. Further inland, the hills are steep. You visit the site of the Walter Hood wreck – see Ride A21. Do not venture into the area in wet weather – the creeks quickly fill and the clay soil makes cycling very difficult.
