

Notice to Patrons

Of the Orient Point Reserve, Orient Point - Public Amenities (toilet)

Shoalhaven City Council has over 130 public amenities (toilet) buildings. The provision of public amenities is an integral part of the provision of other services such as

- Commercial/ shopping centres
- Waterways (Beaches, Lakes & Estuaries)
- Sporting Venues
- Parks/ Reserves

Shoalhaven City Council currently provides 9 public amenities in Culburra Beach/ Orient Point – details of locations are available through National Public toilet map.

Shoalhaven City Council is seeking feedback on the **future use of these toilets**

- They have served the community well
- They were constructed in 1975
- They have very low patronage
- Operating costs may increase in the future to maintain the same service level
- Do not comply with current disability provisions
- There may be another location in Culburra Beach/ Orient Point, that if it had access to a public amenity, then greater good may be provided such as Curley Bay Reserve – site of proposed Skate Park.

Your comments as a patron of this public amenity (toilet) are appreciated!

Council appreciates your time and would request all responses back by the 31st August 2016
