

# Notice to Patrons

## Orient Point Reserve - Public Amenities (toilet)

Shoalhaven City Council has over 130 public amenities (toilet) buildings. The provision of public amenities is an integral part of the provision of other services such as

- Commercial/ shopping centres
- Waterways (Beaches, Lakes & Estuaries)
- Sporting Venues
- Parks/ Reserves

Shoalhaven City Council currently provides 9 public amenities in Culburra Beach/ Orient Point and details of locations are available through National public toilet map.

Shoalhaven City Council is seeking feedback on the **future use of these toilets**

- They have served the community well
- They were constructed in 1975
- They have very low patronage
- Operating costs may increase in the future to maintain the same service level
- Do not comply with current disability provisions
- There may be another location in Culburra Beach/ Orient Point, that if it had access to a public amenity, then greater good may be provided such as the site of the proposed skate park at Curley Bay Reserve

**Your comments as a patron of this public amenity (toilet) are appreciated!**

Council appreciates your time and would request all responses back by 28 February 2017.
