New Public Amenities Investigation – Wowly Creek, Callala Bay

Shoalhaven City Council is currently investigating the option of partnering with Callala Bay Community Association to achieve a low cost toilet structure at Wowly Creek as a result of a recent Council resolution.

Currently a port-a-loo is provided at the location for spring / Easter, summer & autumn school holiday periods.

Further details of the investigation including:

- Copy of Council report
- Copy of Council resolution
- Plans of location

are available on Councils website under My Community – Community Facilities – public amenities – new public amenities investigations.

If you have any questions or would like to provide a response in relation to the proposal please contact me on (02) 4429 3148. Please quote Council's reference 7677E (D13/272884).

Yours faithfully

Brad Davis
