

Notice to Patrons

Council proposes in school term 2 (May – July 2016) to replace these public amenities with a new building in the same location as the existing male toilet.

Port-a-loos will be provided at this location for use during the short period of demolition and construction of the new public amenities.

Alternate public amenities are available at:

- Apex Park
- East car park off South Street

Further information is available:

- Council's webpage under My Community / Community Facilities / Public Amenities
- or by calling 4429 3148

Council appreciates your patience during this time
