- Detail the principles whereby Council grants donations, sponsorships and subsidies to organisations;
- Establish an application process including guidelines and procedures for use by organisations in applying for donations, sponsorships or subsidies (including 'in kind' support).

### 2. STATEMENT

Subject to budget allocations each year, Council is committed to provide funding annually to meet the objectives of this policy.

#### 2.1. Scope

This policy applies to applications for financial assistance and 'in kind' support by way of donations, sponsorships and subsidies granted by Council to organisations. It does not deal with Fee Waivers that are dealt with under the Fee Support Policy – Council Managed Public Reserves & Facilities Policy and the Fees – Waiving of Development Application and other Fees by Charitable Organisations and Community Groups.

## 2.2. Categories

Applications should be within one of the categories nominated below.

- community development projects – projects that meet an identified community need, have been developed in consultation with the community and encourage community participation in the development of the project.
- support for a locally based voluntary community service or program not funded from any other source – i.e. only source of income is fundraising.
- festivals and special activities which enhance community spirit.
- community, charity and not for profit activities on public open space/reserves (ie cost of ground hire only).
- community, charity and not for profit organisations' use of Council owned and controlled facilities including halls, School of Arts, meeting rooms, pavilions, change rooms and civic centres, etc.
- community development, training, education and awareness activities.

## 2.3. Guidelines and Procedures for Applicants

This policy must be read in conjunction with Council's adopted Guidelines and Procedures for Annual Donations, Sponsorships and Subsidies – Refer Annexure 1. The Guidelines set out the eligibility criteria

A written application form for applicants is appended to Council's adopted Guidelines and Procedures for Annual Donations, Sponsorships and Subsidies.

## 3. PROVISIONS

- The granting of all donations, sponsorships and subsidies are made pursuant to Section 356 of the Local Government Act, 1993 subject to the constraints outlined in Section 377 of the Act.
- The granting of all financial assistance from the Unallocated Donations Budget will be subject to a fresh written application being lodged with Council each year.
- Generally applications may be submitted for consideration by Council for inclusion in the ensuing financial year's operational plan and budget.
- Applications which do not meet the criteria in the attached guidelines shall be advised that the request is not eligible for consideration under this policy.
- Staff reserve the right to assess any application (not fitting the criteria for assessment) on its merits according to Council's Policies and Procedures and Community Service Outcomes.
- Applications for financial assistance will generally not be considered where the application also meets the criteria for grants/donations provided by the Shoalhaven Arts Board the Shoalhaven Tourism Board and/or the Shoalhaven Sports Board. In these cases, applications will be sent directly to the appropriate Board.

- It is a condition of funding that an acquittal of any prior funding allocated under this policy is provided to Council before any further request is considered.

#### **4. SUSTAINABLE EVENTS POLICY**

All community events funded under this policy will be required to comply with Councils Sustainable Events Policy (POL12/51) as part of the WASIP Program.

#### **5. IMPLEMENTATION**

Council's Finance and Corporate Services Group will receive, report to Council or Board (if appropriate) and respond to written requests for financial assistance.

#### **7. APPLICATION OF ESD PRINCIPLES**

None Applicable

# **Guidelines and Procedures for Financial Assistance – Donations Policy**

## **Definition**

These guidelines are designed to assist applicants in the preparation and Council in the assessment of requests for:

- General Donations which enhance the cultural, social, sporting or community services provision within the City.

Persons making applications which do not meet these guidelines shall be advised that the request is not eligible for consideration.

These guidelines should be read in conjunction with Council's adopted Donations Policy.

## **Expressions of Interest for Funding**

The attached application for financial assistance form should be submitted to Council at least three (3) months in advance of the date of the project or event to enable sufficient time for Council to consider the application.

If the form is not completed, or insufficient information is included in the application, an application form will be returned for completion and re-submission to Council.

Applicants may be required to provide additional information.

A financial statement for the organisation must accompany applications.

A project budget must accompany applications.

A copy of the applicant's constitution should accompany the application.

Upon receipt of the application, it will be either determined by staff or a report will be submitted to Council for consideration for inclusion in the current or ensuing financial year's budget, depending on the date of application.

Subject to funding available in the budget, Council will consider applications as they are received.

## **Funding Limitations**

- Council resources are limited and not all applications will be funded.
- Council does not guarantee to fund any application and does not guarantee to fund any application to the full amount requested.
- Applicants are encouraged to seek further sources of funding.
- Where Council funding is approved, this is not to be taken as an on-going commitment to funding for any following years.

- Council will normally require consideration of any additional costs associated with the application including full or partial cost recovery of fixed costs such as lighting, wages, waste removal, cleaning costs and the like.

### **Projects/Events NOT Eligible for Funding**

- where benefit is primarily to an individual
- duplication of service or project
- projects occurring outside the Shoalhaven Local Government Area
- projects that are retrospective
- projects which do not meet policy guidelines
- where applicants are in a position to self fund the project
- where a more applicable funding source is available
- where applicants are government departments or agencies
- where application is for capital funds (e.g. building and building maintenance costs)
- where a project will financially benefit a profit making organisation, individual or a government department
- projects and facilities or services controlled through Council appointed management committees (where these projects, facilities or services are not under Council's direct care and control)
- where the proceeds or entry fee from a project or event is being donated to another organization
- where there is no direct benefit to Shoalhaven City residents

### **Criteria for Assessment**

- Does the application meet the eligibility criteria?
- What policy objectives does the project/event meet?
- Who and how many benefit from the project/event (target group)?
- To what degree is the group/or project self financing?
- Has the need for the project/event been demonstrated?
- Has the need for funding or subsidy been demonstrated?

- Is the organisation able to make a contribution either in monetary funds or in kind, eg labour, materials, etc?
- What efforts have been made to seek funds from other sources?
- Who and how many will benefit from the donation?
- Who and how many use the facility?
- For what purpose is the facility used?
- Does the application have a broad community focus?
- Is it a 'one-off' request or likely to be a recurring request?
- If the project/event has a regional focus what benefit will occur for Shoalhaven residents?
- What effect would a donation/subsidy only to the project/event make to the outcome?
- Are there any other facilities or venues available or more suitable for the project/event?

### **Procedure**

- The attached form must be completed and submitted to Council in accordance with the directions of any advertising. Late applications will not be accepted.
- An application form will be forwarded upon request for completion and lodgement with Council.
- Applicants may be invited to attend an interview as part of the application process.
- A financial statement for the organisation must accompany applications.
- A project budget must accompany applications.
- A copy of the applicant's constitution should accompany the application.
- Upon receipt of applications outside of advertising referred to above, assessment and reports will be submitted to Council for consideration for inclusion in the current or ensuing financial year's budget, depending on the date of application.
- An allocation for contingencies will be submitted for Council's consideration each financial year.
- Council may refer the application to a Board or other Committee as considered appropriate.

### **Conditions**

- Funds should be expended within the financial year of the grant, sponsorship, donation or subsidy. Should the applicant not be in a position to expend the funds, the applicant should prepare a written explanation, and proposed time frame for the grant expenditure. This may allow those funds to be reallocated to another group in that year.
- If an organisation wishes to modify its request or alter the proposed project, or event, the applicant should make this request in writing. It is at the discretion of the General Manager that the intention of the modified project meets Council's objectives of the original grant made by Council.
- Recipient groups will be required to give public recognition to the donations, sponsorships and subsidies received from Council and acknowledge Council's financial assistance on any related promotional or other material. Failure to do so may result in the disqualification of the group or its affiliates from further funding.
- The failure of any group to comply with these conditions may disqualify them from consideration for funding, for the following year.
- Evidence (i.e. Certificate of Currency) of public liability insurance to a minimum value of \$20 Million, noting the interests of Council with an Insurer approved by the Australian Prudential Regulatory Authority. This provision is applicable where the activity or event is being conducted on Council owned and controlled land or facility.
- Council may impose an additional condition on grant recipients, which encourages links to major festivals or events, displays or performances.
- Impact of GST (refer Appendix A)

### **Delegation**

In accordance with Section 377 of the Local Government Act, 1993 the General Manager may authorise payment of a donation, sponsorship or subsidy voted by Council, other than where it is a decision under Section 356(2) to contribute money or otherwise grant financial assistance to an individual. Payment to an individual must be authorised by a Council resolution and following a 28 day public exhibition period, if applicable.

Applicants are required to complete a written application form entitled "Application for Financial Assistance/Donation" (Refer Appendix C)

## Appendix A

### IMPACT OF THE GST

Unless recipients of grants after 1<sup>st</sup> July 2000 have an Australian Business Number (ABN), the supplier of the grants (i.e. Council) must remit 48.5% of the grant total in withholding tax to the Australian Tax Office. The recipient **may** receive part of this back when they submit their tax claim at the end of the year, but it is our understanding that most community organisations would not find half a grant to be a viable proposition. Although Council is not stating that you must have an ABN number, Council strongly recommends that your organisation have one.

**Under the new Tax System, there will generally be three options available to your organisation. They are listed as follows:**

#### **OPTION ONE (the preferred option)**

Your organisation has an ABN number and is registered for the GST. This means that if you are successful in gaining a grant the funds you receive will be “grossed up” to include the GST component. You will then pay the GST to the Federal Government. As Council is in effect paying the GST on your grant, Council will then claim back the GST through its monthly Business Activity Statement and will receive an Input Tax Credit.

Successful applicants who are registered for the Goods and Services Tax must supply Council with a tax invoice. Council will gross up the grants by 10 per cent for successful applicants who are Goods and Services Tax registered.

#### **OPTION TWO**

Your organisation has an ABN number but is not registered for the GST. This means that if you are successful in gaining a grant the funds you receive will not have a GST component included.

#### **OPTION THREE**

You do not have an ABN number and therefore if you were successful in receiving a grant, donation or subsidy Council have to remit 48.5 cents in every dollar as withholding tax to the ATO.

To avoid Council having to withhold 48.5% as withholding tax and remitting this to the ATO an exemption statement may be completed by the applicant (refer to “statement of supplier” form attached) and submitted to Council.

Council will then assess the application form in terms of whether it complies with the GST legislation particularly in respect of withholding tax.
