

27th May 2011

UPDATE:

Public Meeting – Bellawongarah, Beaumont and Berry Mountain Development Controls

A public meeting will be held on Wednesday 29 June 2011 in the Berry School of Arts commencing at 7.00pm to discuss Development Controls in the Bellawongarah, Beaumont and Berry Mountain areas with a view to gaining community feedback on what development controls should apply to this area.

Council resolved on the 21st December 2010 to hold the public meeting following a Notice of Motion put forward by Councillor Ward.

The Notice of Motion highlighted “the high level of community concerns raised in relation to the future development of the Bellawongarah, Beaumont and Berry Mountain area. In particular residents have become concerned at the level of inappropriate development that could occur in their rural community”.

Interested members of the community are invited to attend and participate in the meeting.
