Last chance for medal nominations

Nominations for the Shoalhaven Medal Awards 2011 will be accepted up until Friday the 27th May at 5pm.

There are many people in the community who are outstanding voluntary contributors to the city, and the medals are a chance to recognise their commitment to the betterment of the community.

Now in its third year, the medals help to acknowledge the hard work of individuals within our community for their generosity to others and also those who have achieved excellence in their chosen field.

The committee not only looks at length or quantity of service but also the quality of voluntary contributions to the local community.

Shoalhaven City Mayor, Cllr Paul Green thinks the medals are an excellent way to celebrate those people who give so much of their own time to help others.

"I am inspired every day by the generosity of the residents of the Shoalhaven, and see many people out in the community who would be very deserving of these medals. I encourage anyone who knows someone who has made a difference to the lives of others to nominate them so they can be formally recognised throughout the city." Cllr Green said.

Nominations are available to be downloaded from Council's Internet site at www.shoalhaven.nsw.gov.au.

Forms are also available from the Nowra and Ulladulla Administrative Centres, Shoalhaven Libraries and Visitor Centres, the Shoalhaven City Arts Centres and Councils aquatics Centres.

The closing date for nominations will be 5pm Friday the 27th May 2011.
