Graffiti Action Day: a free community event.

On Sunday 15th of May, the Sanctuary Point community will come together to take place in what is sure to be a fantastic event.

Running from 10 am – 2pm at the Sanctuary Point Youth and Community Centre, the entire family can get involved in a variety of activities.

The event which has been made possible through a partnership between Shoalhaven City Council and Bay and Basin Community Resources aims to build a safer more attractive environment for residents.

The day that celebrates both Graffiti Action Day and Families Week will feature a jumping castle slide, spray on tattoos, art workshops and face painting.

The Police Crime Prevention Van will be there offering information on community and personal safety.

92.7BBFM will be broadcasting live on the day and there will also be a sausage sizzle.

Shoalhaven City Mayor, Councillor Paul Green is happy to see such a positive event taking place in Sanctuary Point.

“It’s great to see organisations working together in partnership to help build community pride and strength. I encourage everyone to come along, and be part of an activity that shows how much the residents care for their part of the world.” Cllr Green said.
