## Mayor welcomes 100<sup>th</sup> German work experience student

Shoalhaven City Council will welcome six students on Monday 21 March, with one of them becoming the 100<sup>th</sup> student to take part in the work experience program with Council.

Shoalhaven City Mayor Councillor Paul Green said it is refreshing to see international students visiting the Shoalhaven.

“These students bring with them an international perspective to our city,” Cllr Green said. “They have been working in all groups of Council and have proven to be both excellent workers and fantastic students.”

The students are from three universities in Germany: Kehl University of Applied Studies for Public Administration (in Baden-Wuerttemberg), Ludwigsburg University of Applied Studies for Public Administration (Baden-Wuerttemberg), and the Hof University of Applied Sciences for Public Management (Bavaria).

All students are undertaking a degree in Public Administration for Local Government. They are employed by a German local government which pays for their university studies as a scholarship.

Cllr Green will welcome Sabine Hengerer, Thorsten Bumb, Marion Kronmueller, Kirsten Huber, Sandra Failenschmid, Senta Richt. Cllr Green will also farewell German student Naciye Gunduz who is finishing her time in the Shoalhaven.
