## Sea pools closed

Shoalhaven City Council has announced that due to recent heavy rainfall both Ulladulla and Huskisson Sea Pools will be closed until further notice.

Heavy stormwater runoff in both areas has contaminated the pool water and it is necessary for Council to close the pools until the runoff has cleared.

For further information on Council's sea pools, you can contact Kevin Norwood, Aquatics Manager, on (02) 4429 3538.
