Council seeks members of riverfront advisory group

Shoalhaven City Council is seeking nominations from community representatives to join the Shoalhaven Riverfront Precinct Advisory Group.

The Advisory Group will be facilitated independently and provide ideas and comment on the draft Shoalhaven Riverfront Precinct Master Plan.

Council resolved on 15 February to merge the draft Shoalhaven Riverfront Master Plan with the draft Nowra CBD Master Plan. The Riverfront Advisory Group will be coordinated to provide ideas and submissions to Council on the riverfront precinct master plan.

Following public exhibition and consideration of submissions and issues the draft Shoalhaven Riverfront Precinct Master Plan will be rolled into the draft Nowra CBD Master Plan.

For further information on the Advisory Group, you can contact Council's Policy Planning Manager Neil Southern on (02) 4429 3472.
