## ROLL UP, ROLL UP FOR THE AUSTAR CARNIVAL!

Roll up, roll up, the AUSTAR carnival could be coming to Nowra!

Everyone loves a carnival and this October, you have the chance to be part of your very own carnival with AUSTAR. See all your favourite AUSTAR channels and famous faces up close and personal for FREE, complete with games, fun, rides and entertainment for the whole family!

Perhaps you'd like to surf like a Wii- legend with FOX SPORTS, test your trivia knowledge with BBC Knowledge, play with your favourite Nickelodeon friends, navigate some rock climbing like you see on the National Geographic channel or try your hand at presenting the weather just like a real weather presenter from The Weather Channel. All this and more, plus loads of great prizes could soon be coming your way!

Thanks to local resident, Brett Carter who nominated Nowra, your town has been chosen as one of our top 10 favourite towns to visit and all you need to do is go online now at [austar.com.au/carnival](http://austar.com.au/carnival) and vote for your town to win the ultimate prize of the year!

"We are so excited about giving Nowra the opportunity to have AUSTAR come to town for a day, giving both our customers & non customers the opportunity to see our channels come to life, mix with their favourite TV stars, play games and participate in activities with as many of the channels as they can! So come on Nowra, get behind your town so you don't miss out!!" said Nikki Warburton, AUSTAR Group Director, Product, Sales and Marketing.

Voting opens today and closes on August 8, 2011 with the winning town to be announced on August 13, 2011. Each week we'll choose ten lucky voters, who will each win a \$50 Coles/Myer gift voucher, so what are you waiting for, get voting for Nowra today!!
