75 tasty treats at Shoalhaven Food & Wine Show

Shoalhaven citizens and visitors will feast and sample the region's best gourmet foods, wines and tasty treats at the second Shoalhaven Food & Wine Show.

Shoalhaven City Mayor Councillor Paul Green said the Shoalhaven Food & Wine Show is the largest food and wine event held in the Shoalhaven.

"I'm truly excited about an event which showcases the best foods and wines of this awesome city," Cllr Green said. "What better way to taste and experience the magnificent delights that we have here on the South Coast. Shoalhaven has always had a reputation for world's best oysters, wines and cheeses. The Shoalhaven Food & Wine Show organisers have been able to attract these producers in one place where we can easily enjoy these treats.

"I encourage all citizens and visitors to the city to take a day and see the wonderful Shoalhaven Entertainment Centre at the same time as taking in the Food and Wine Show.

"People visiting the city might also take in some of the other wonderful scenic places, such as the Shoalhaven City Arts Centre, a trip to Bundanon, the purely Australian gift featuring arts and a unique cultural and environmental experience, or simply browse through one of our unique villages.

"There are so many other places to visit; it is a worthwhile visit for the weekend."

The two-day Shoalhaven Food & Wine Show will feature many local restaurants and producers from within and around the Shoalhaven on the South Coast of NSW. This will be the first chance for all people to see and taste the new grass-fed Shoalhaven Beef.

There will be live cooking demonstrations from Celebrity Chef "Fast Ed" from Better Homes & Gardens, coffee making seminars by Breville, and more than \$10,000 in major prize giveaways. There will also be live music over the Saturday and Sunday.

With more than 75 exhibitors all under one air conditioned roof. There is also plenty of free onsite parking.

The Show is being held on Saturday 8 January & Sunday 9 January 2011 at the Shoalhaven Entertainment Centre in Bridge Road, Nowra. Opening from 9am to 5pm on both days.

Tickets are \$10 per adult (children 12 years and under are free). Access to exhibitors, cooking demonstrations and seminars is free after purchase of your entry ticket.
