Busting Out!

Don't miss the laugh out loud musical comedy spectacular that is keeping abreast of the times.

With more front than Myer, our bosom-buddies decided to star in their own laugh-out-loud and totally liberating show which has been seen by over 250,000 adoring fans throughout Australia and New Zealand.

Follow these two lubbily-jubbily ladies as they unleash their playful puppies and walk abreast down mammary lane. It's an uplifting celebration of bouncy songs, wobbly jokes, thigh-slapping sketches, and of course, practical demonstrations of the fascinating lesser-known uses of your drooping assets.

There have been no knockers amongst the critics as Busting Out! has toured Australia to sold out houses...

"Tasteful, clever, liberating and laugh out loud funny!" DAILY TELEGRAPH

"Wonderful.. hilarious... time and again ambushing the audience with its audacity." MANLY DAILY

"Mega talented... these girls sing, dance, bounce and squeeze through a non stop two hour show with clever skits, laugh out loud song and dance, and ripping gags." MELBOURNE HERALD SUN

Don't miss your chance to see Busting Out! before the show heads to the UK later in 2010.
