

3 February 2010

Calling for World Masters Games participants

Shoalhaven City Council will hold a civic reception for participants in the 2009 World Masters Games held in Sydney.

The reception will be held on Friday 19 February 2010 and Council is seeking all people from the city who took part in the World Masters Games held in Sydney.

Games participants played in 28 games during the event from 10 to 18 October 2009. Most of the events had a limit of 35 years of age for competitors, except for diving and swimming where the competitors were aged from 25.

Shoalhaven City Mayor Councillor Paul Green said it was a wonderful to see many Shoalhaven citizens who were actively participating in the Games and also in the games slogan, Fun, Fit and Forever Young.

“What better way to enjoy our lives than to play a game with friends,” Cllr Green said. “For many people games are something that are not just for those young athletes. Good competitive games provide excellent social and health benefits throughout our lives.

“To recognise the sportsmen and women of the City, Council will hold a reception this month and we are seeking all people who participated, as a competitor or as a team official in the games.”

Could World Masters Games participants and team officials from Shoalhaven City please contact the General Manager’s Office, at Council on (02) 4429 3271 for details of the Civic Reception.
