CARRIED

<b>File Number</b>	<b>Added to Action Table</b>	<b>Issue</b>	<b>Outcomes</b>	<b>Reports or comments</b>	<b>New comments</b>
28441E	September 2015	Photo recently posted on Council's Facebook page about special matting placed on the beach to enable wheelchair users to access the water.	The Holey Belt is an affordable option on certain sites like our network of boat ramps including quiet coastal bays. An option is to combine this with a disability wheel chair at each surf club. We have started this with chairs at Mollymook & Culburra. The size of the Shoalhaven and limited resourcing makes achieving an equitable result very challenging. Cost is the main consideration to roll out of more mats. Coast and Estuaries are reviewing the need for matting and will keep the SACC advised of progress.	Ray Massie, Coast and Estuary Officer will provide a report to future SAAC meeting when changes/progress occurs.	No update – Ray Massie to be invited to the next meeting to give an update to the members.  Alan advised that there was matting at Shoalhaven Heads, Callala and Mollymook. The matting works well when there are volunteers that look after it and are happy to maintain it.  Council needs volunteers who are willing to roll out the matting and maintain it.  Depends where the matting is placed and how well the beach is used.
18551E	December 2015	Pathways on the north and south side of Junction Street Nowra are	Staff investigate both the north and south sides of Junction Street Nowra and report back on maintenance/repair options for	Martin Uptis, Manager Asset Management will present report at the	Martin Uptis gave a verbal update on this item and provided photos.

		uneven and damaged.	matching materials and to make the pathways level and secure for accessible.	April meeting re outcome from site inspection and progress on repairs.	
40866E	December 2015	Boree Street Ulladulla – side of the street near the Chinese Restaurant there is a large tree which is lifting the path and it has made it unsafe.		Martin Upitis to report to the April Access Advisory Committee regarding the pathways of Boree Street, Tallwood and Mitchell Parade Ulladulla.	Martin Upitis gave a verbal update on this item and provided photos.
1228E	December 2015	The new Chinese Restaurant in Huskisson has a lift however a key is required to gain access.		Staff met with owners and key access will be available from restaurant.	Jackie advised that the Owner of the Chinese restaurant has the keys, the owner of the building was to put the sign up for access to the lift. Need more cooperation from the owner of the building Staff to follow up
1387E	December 2015	Old Southern Road at the Nowra Christian Community School no access or footpath or guttering to cross the road safely.	Investigation to occur	Martin Upitis, Manager Asset Management will present report at the April meeting of site inspection	Martin Upitis gave a verbal update on this item and provided photos.
