PLANNING AND DEVELOPMENT

1. **Regional Development Application for an Indoor sports centre, car parking, landscaping and associated infrastructure - Lot 2 DP 130891 (No.84) Cambewarra Road and Lot 2 DP 2886 Sec 2 Cambewarra Road, Bomaderry.**
Applicant/Owner: Clarke Keller Architects/Shoalhaven City Council
File: RA15/1001

SECTION MANAGER: Cathy Bern.

PURPOSE:

To consider the staff section 79C Assessment Report which has been submitted to the Joint Regional Planning Panel (JRPP) for consideration at its meeting on 16 August 2016.

RECOMMENDATION

Submitted for consideration.

OPTIONS

1. Support staff's recommendations to the JRPP recommending approval and advise the JRPP accordingly; or
2. Make an alternative decision and make a separate submission to the JRPP.

DETAILS

Proposal:

The submitted development application (DA) seeks approval for construction of an of an indoor sports facility comprising the following (summary only):

- a) Four (4) multi-purpose courts (for basketball, netball, futsal, volleyball and badminton) consisting of one (1) main event court with seating for 600 people and three (3) separate courts grouped together;

-
- b) Ancillary facilities comprising change rooms, toilets, storerooms, canteen/cafe, sports office areas, conference room, administration areas, staff area, control rooms, first aid room, drug testing room, multi-purpose spaces, short term child care facilities, etc;
 - c) Car parking for 194 vehicles, bus drop off area and bus parking area; and
 - d) Associated works including access/manoeuvring areas, drainage and landscaping.

Assessment Comments:

- # A full assessment of the application having regard to the matters for consideration under section 79C(1) of the Environmental Planning and Assessment Act 1979 (EPA Act) has been undertaken by Council staff and has been submitted to the JRPP. A copy of Council staff's assessment report, draft consent conditions, plans and associated documents are contained in **Attachment 'A'**.

FINANCIAL IMPLICATIONS:

Any decision that the JRPP makes in relation to this application may be subject to challenge in the Land and Environment Court (L&E Court). A decision to refuse the application could be challenged by the applicant and an approval could potentially face a judicial review by third party objectors. These actions may have a financial impact on Council in that it may have to fund the defence of the JRPP's decision if challenged.

COMMUNITY ENGAGEMENT:

Council has received two (2) submissions during the public notification period. The submissions were objections to the development. The objections were based on several issues, but not limited to, impact on an existing cricket pitch, a 'heritage' trotting track, reduction in open space. A more detailed discussion of Council's community engagement, including a detailed discussion of issues raised in the submissions received, is contained in the section 79C assessment attached to this report.

CONCLUSION

As a result of a detailed section 79C Assessment, the proposal is recommended for conditional approval. Recommended conditions are provided as an attachment to the 79C assessment report.
