WIN a Family Pass to Erth's Prehistoric Aquarium!

Following the internationally loved and applauded show *Erth's Dinosaur Zoo*, the team at Erth now presents *Erth's Prehistoric Aquarium* at Shoalhaven Entertainment Centre.

Erth's Prehistoric Aquarium is part of Shoalhaven Entertainment Centre's SEC LIVE 2017 Season, and is a fantastic show for the whole family!

Erth has spent years scouring the seven seas, collecting playful prehistoric creatures of the deep for their giant aquarium. For the first time, you are invited to dive in and meet these aquatic critters in person. Erth's prehistoric creatures are unmistakably 'alive' in this unique puppet show.

During each show, Erth will invite a small number of carefully selected young divers to join them on their quest to the bottom of the ocean, to 'swim' with an amazing array of aquatic creatures from bygone eras.

For your chance to WIN a Family Pass to this show, tell us why you would like to bring your family to Erth's Prehistoric Aquarium. To enter the competition, email your answer to marketing@shoalhavenentertainment.com.au

Competition closes 30 June 2017. Family Pass includes entry for two adults and two children, or one adult and three children. Shoalhaven Entertainment Centre will select the best answer and contact the winner directly.

Bendalong Boat Harbour Masterplan

Council is seeking public comment on a

draft masterplan covering the small beach and adjacent reserves known as Boat Harbour at Bendalong.

Council has prepared a masterplan for this area due to conflicts in use, impacts from the neighbouring Holiday Haven Bendalong Point Holiday Park and a multiplicity of issues in the very constrained site.

Four draft plans have been prepared detailing proposed actions for the whole of Boat Harbour as well as a Heritage Precinct (because of the importance of both Aboriginal and European Industrial heritage), a Boat Ramp Precinct, and a Headland Precinct.

The Boat Harbour Masterplan will inform future improvements and management of the area as funding becomes available.

Consultation closes next Friday, 30 June 2017. [View the plans and have your say...](#)

Loss of historic Nowra Sailing Club building

Council is incredibly disappointed with the loss of the historic Nowra Sailing Club following a fire which destroyed the building on Wednesday evening, 21 June 2017.

The Council building was occupied by the Nowra Sailing Club up until November 2015, but was unoccupied at the time of the fire.

The building was insured and Council has contacted the insurer. The future of the site cannot be determined until an insurance assessment has been undertaken.

Council appreciates the efforts of NSW Fire

The iconic building was a reference point on the Shoalhaven River for well over 100 years. The western wall of the building provided residents with an informal flood reference, with many locals gauging the severity of a flood not based on a measure at the bridge, but on how far up

and Rescue and Rural Fire Service crews in containing the fire and preventing damage to the wharf.

Roads and Works Update

Bomaderry - Birriley & North Tarawal St - A road closure is currently in place until Friday, 30 June 2017 (throughout the day and night). The temporary closure is necessary to allow workers to construct the centre island component. [Read more...](#)

Bomaderry / Bolong - Bolong Rd - Roadworks have commenced on the widening of Bolong Road in the vicinity of Hanigans Lane. The works will also involve widening east of Jennings Lane following the Hanigans Lane section. The projects are expected to be completed by September 2017.

Nowra - Stewart Place - Construction is now in the open bus interchange area. Kerb and gutter has been relocated. New footpath is under construction. The next stage of the works will be to construct concrete islands which will change the direction that buses will park in the open area.

Ulladulla - South St and Jubilee Ave - The roundabout is now in operation and South Street reopened. Final works include linemarking, some landscaping, and access installation, and are expected to be completed by late June.

Upcoming road works

Callala Bay - Callala Beach Rd - Road pavement reconstruction and road widening will commence early August. The works will be undertaken from Emmett St for 500m to the north.

Callala Bay - Callala Beach Rd and Forest Rd Intersection - Road widening and safety improvements will commence early August. Works include the removal of selected trees on the northern side of the intersection, the construction of a passing lane for East bound traffic and the placement of a 10mm AC surface over the intersection.

Sanctuary Point - Kerry St and Paradise Beach Rd - A roundabout is proposed at the intersection of Kerry Street and Paradise Beach Road. Construction is scheduled to commence in the coming months.

Ulladulla - Deering and Jubilee Sts - A roundabout is proposed at the intersection of Deering and Jubilee Streets. Construction is scheduled to commence in the coming months. Another roundabout is proposed at the
