

Upcoming Council meetings: Development Committee - Monday, 17 July 2017, 5pm
Strategy and Assets Committee - Tuesday, 18 July 2017, 5pm.

Cleaning Up Dumping in the Northern Shoalhaven

Council Rangers have commenced a new Illegal Dumping Clean Up and Prevention Program in partnership with the Environmental Protection Authority.

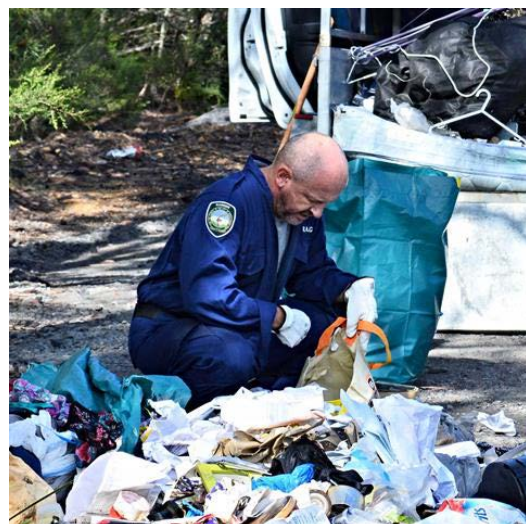

The new program is focused on cleaning up known problem dumping areas around North Nowra, Bomaderry and Kangaroo Valley, as well as harder to reach areas in the quieter parts of Kangaroo Valley and Budgong.

Rangers will install gates, barriers, signage and CCTV where appropriate, to prevent further rubbish from being dumped.

Program funding will also allow specialist investigators employed by Council to continue their ground-breaking work in tracking down offenders with the latest technology and methods.

The program will see Council work collaboratively with Corrective Services, who have made significant contributions to past clean-up projects by returning natural areas back to their former state.

The program should make a big impact, as past programs run in the Bay and Basin and Ulladulla areas have resulted in tonnes of rubbish being removed and illegal dumpers caught and fined. [Read more...](#)

Residents, visitors and day trippers are encouraged to report illegal dumping via:

- EPA hotline 131 555
- Online www.ridonline.epa.nsw.gov.au
- Phone Council on 4429 3433

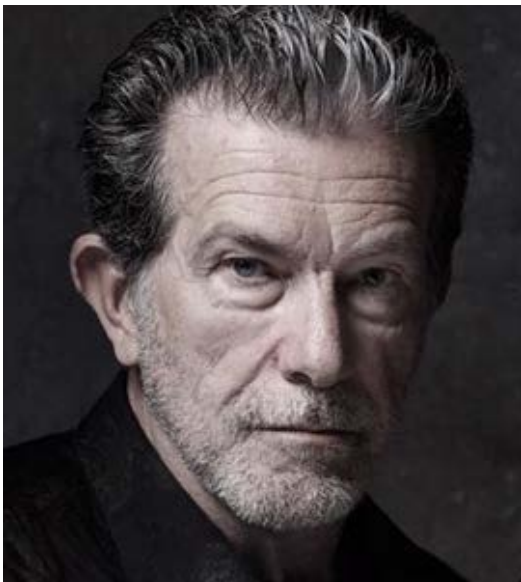

Opportunity for Local Artists to Exhibit in Gallery

Shoalhaven Regional Gallery, Nowra is calling for artists, arts organisations and community cultural groups to express their interest in exhibiting within the gallery in 2018.

The gallery is looking for applications from practising artists or groups who have a body of work suitable for exhibition, or an idea to create an exhibition in collaboration with other artists.

Interested artists can collect an application kit from the Gallery or [online](#). Applications close 1 September 2017. [Read more...](#)

In Conversation with Photographer Gary Grealy

Sit back and enjoy a complimentary beverage, nibbles and join in the conversations with exhibiting artist, photographer Gary Grealy.

Grealy will speak with his subjects Richard Morecroft, Alison Mackay, Deborah Ely and Elyssa Sykes-Smith about the process of producing his striking portraits and the role of the subject. [Find out more...](#)

To book your place, please phone 4429 3214 or email water@shoalhaven.nsw.gov.au.

Roads and Works Update

Sanctuary Point – Paradise Beach Rd – In consultation with Sanctuary Point Primary School, Council is proposing to convert the existing children's crossing to a standard pedestrian refuge and remove the pick up /drop off zone adjacent to the Bus Shelter on Paradise Beach Road. The project aims to address confusion regarding the crossing. [Find out more...](#)

Sussex Inlet - Ellmoos Ave – The construction of a new 59 space carpark on Ellmoos Avenue has been completed. During the works, access was cut off to the rear of the adjoining businesses. Council thanks those affected for their patience during this period. The end result is a wonderful addition to the parking capacity of the

Ellmoos Avenue car park - before and after.

Please note that all quoted dates are subject to change due to weather, emergencies or other unforeseen interruptions.

View the full list of road and asset updates on [Council's website](#).

Sussex Inlet's business precinct. Council will be adding some trees and other plantings in the near future to finish off the project.

Mollymook - *Tallwood Ave* - A speed hump and pedestrian crossing will be installed from Monday 17 to Tuesday 18 July 2017. Works have been designed to minimise disruptions to motorists. A traffic detour will be in place, however, access to and from the shopping centre car park will be maintained.
