Get Ready Weekend

This weekend, 16 - 17 September 2017, local Fire Brigades will be involved in the "GET READY WEEKEND Prepare for Bush Fire".

Now is the time to get ready. We are inviting you to meet local firefighters from a number of local brigades who will be conducting a range of events and activities across the Shoalhaven to help you prepare for fire season.

To find out which local Rural Fire Service Brigades will be open this week in the Shoalhaven, [click here](#).

The fire at Jervis Bay is a reminder of how quickly a fire can get out of control. Do you have a Bush Fire Plan?

Research has found that around 90% of homes destroyed by bush fire are due to burning embers.

Get Active Shoalhaven

As part of creating an active Shoalhaven, Council in partnership with Illawarra Shoalhaven Local Health District and Grand Pacific Health, have teamed up to “Make Healthy Normal” installing a series of signed health walks across the Shoalhaven.

The one kilometre walks are located in 18 different villages and towns and have signage at intervals encouraging you to complete the walk.

Mayor Amanda Findley said, “The footprint signs will assist walkers or runners with gauging distances and improving fitness.”

“Council is encouraging people to use the walks as a base to start an exercise routine and get walking more.”

To support walkers to try all the signed walks, we are encouraging walkers to share their walk experience and how many walks they do. All stories will go in the draw to win a Shoalhaven Fun Pack.

Can you find the 18 locations? Walk, Register and Win!

Roads and Works Update

To keep up to date with road works in our community, visit the [Road Conditions webpage](#) on Council's website.

All roadworks is weather permitting.

Cambewarra *Barfield Road* – A sealed pavement will be constructed over existing gravel pavement between Moss Vale Road and Tannery Road. Works are scheduled to commence on 25 September 2017.

Falls Creek *Woollamia Road* – Piping of an existing open drain across the verge and into an easement across private property near the intersection of Falls Road West will be carried out during September.

Nowra Hill *BTU Road* – The Animal Shelter Access Road and Intersection Upgrade is scheduled to commence on 4 October 2017. The works will consist of service relocation, installation of new drainage culverts, widening and sealing of Nowra Hill Road from the intersection of BTU Road to the new Animal Shelter entrance. BTU road will also be widened at the intersection with an asphalt overlay. During the works, traffic lights and/or stop slow traffic control will be in place.

Tomerong *Hawken Road* – Widening of the eastern road shoulder north of Pine Forest Road intersection will be undertaken during September to allow for an on-road footpath.

Ulladulla *North Street* – Kerb and guttering construction of approximately 140m between Numbers 78 and 101 North Street is planned to commence shortly.

Ulladulla *St. Vincent and Church Streets* – A roundabout is proposed at the intersection of St. Vincent and Church Streets with a design completed and tender phase due to start. Construction is scheduled to commence in the coming months. This project is being funded under the Federal Blackspot Program for 2016/17.

Planning Proposal Received to Allow a Highway Service Centre at BTU Road

The owners of Lot 2 Wuncor Avenue, Nowra Hill have lodged a planning proposal (rezoning) to Council, seeking to allow a highway service centre at the intersections of BTU Road with the Princes Highway and Wuncor Avenue.

The proponent's planning proposal has not been considered by Council at this stage. Staff will prepare a report for Council's consideration in late 2017. If Council resolves to support the proposal, it will be forwarded to the NSW Minister for Planning for a 'Gateway Determination'. Further information about the planning proposal process is available for information [here](#).
