Effluent Services – Discussion Point

9 November 2017

Shoalhaven Water is currently reviewing the submission of tenders for the contracted Human Waste Removal Services requirement to commence on 1 March 2017. A report to the December 2017 Council meeting is being prepared and customers will be able to view the document online in the coming weeks.

<http://www.shoalhaven.nsw.gov.au/My-Council/Council-meetings>

Outcomes from a new contract will be included as part of the Fees and Charges considerations during the annual budget review process by Council in early 2018. No changes to the current fees and charges will occur until 1 July 2018.
