Effluent Services – Discussion Point

18 December 2017

Council has resolved to accept the tender from Staples Bros Pty Ltd for the provision of Human Waste Removal Services for a period of three years. This follows a competitive tendering process where Staples Bros Pty Ltd were found to be the preferred supplier over 2 other companies.

Customers will be able to utilize the Council contracted service at prices to be effective 1 July 2018 for the new contact arrangement. Alternatively, customers can opt to make private arrangements for any property servicing needs. Details concerning all Council charges 2018-19 will be publically available in February 2018.
