Duck Creek Bridge Opens

Shoalhaven City Council Mayor Amanda Findley joined Federal Minister for Communications, Mitch Fifield and Federal Member for Gilmore, Ann Sudmalis for the official opening of the Moona Moona Creek Bridge known as Duck Creek Bridge on Navel College Road, Worrowing Heights on Tuesday, 31 July 2018.

The bridge renewal project managed by Council was funded under the Australian Government's Bridges Renewal Programme which provided \$750,000 towards the \$1.5 million project cost with Council providing matched funding.

"The Shoalhaven community is delighted to see the Moona Moona Creek Bridge open. With the support from the Roads to Recovery Program, we have been able to replace the two-lane timber bridge with a new concrete bridge, making it a safer and longer lasting bridge.

"There have been a number of accidents in this area and upgrading the bridge and road will stop the road being a hazard.

"We thank the federal government and Federal Member for Gilmore Ann Sudmalis for the funding support in ensuring we can continue to upgrade and renew the bridges in the Shoalhaven. The bridge replacement program not only supports rebuilding our infrastructure but is also a vital part of connecting our communities and villages," Mayor Amanda Findley.

Watch a Council Meeting from Home

What is an Ordinary Meeting? These meetings are the forum where the governing body conducts its core business. The General Manager is responsible for giving each councillor and the public at least three days' notice of the time and place of each meeting as well as the agenda and business papers for that meeting. In the Shoalhaven, we have monthly Ordinary Meetings and they are usually on the 4th Tuesday of the Month at 5pm.

These are supplemented by Extra Ordinary Meetings - Meetings of the Council which are called to deal with urgent issues.

When can an Extra Ordinary Meeting be held? Extraordinary meetings may be called on occasions to address business that cannot be postponed. Usually these require three (3) days' notice to be given, however is not required if the Extraordinary meeting is called in an emergency.
