

Level 1 Water Restrictions Started This Week

Be Water Wise

Shoalhaven residents start Level 1 Water Restrictions from 3 September 2018. Level 1 restrictions ban the washing down of hard surfaces such as paths and driveways and allows use of a hand-held hose at any time for gardening and lawn watering and washing of vehicles and boats. Sprinklers, drip irrigation and topping up of existing swimming pools can be used, but hoses must be connected to a timer.

Director of Shoalhaven Water, Carmel Krogh said, "Level One water restrictions are brought into place when our main water supply at Bamarang reduces to 60% capacity resulting in water having to be pumped from Danjera Dam to top up supplies."

For more information on water restrictions, standard variations or to apply for a special variation visit Shoalhaven Water's [website](#) at or contact 1300 662 246.

Threatened Species Day

Council is proud of the schools that have contributed to the annual 2018 Threatened Species Day school competition.

Open to local Primary School students, the annual competition aims to raise awareness surrounding the 147 native species of plants and animals in the Shoalhaven that are currently threatened with extinction.

More than 200 entries are currently on display in the Nowra Administration Building and Shoalhaven residents are encouraged to visit the exhibit," Mayor Findley said.

"Threatened Species Day is commemorated every year on 7 September to raise awareness of the hundreds of animal and plant species that are at risk of extinction.

The winners will be announced on Council's Facebook page later this month. Visit [Council's website](#) for more information on threatened species including children's activities.

Nowra Bridge Update

The concept design and environmental assessment for the new Nowra Bridge is now available for review and public comment.

The new bridge will cater for the 50,000 vehicles using the current bridge, plus the increasing traffic flows generated by growth in the Nowra-Bomaderry area.

Community members are invited to review the design and environmental assessment until Friday, 28 September 2018.

Concept designs and the Review of Environmental Factors can be viewed at Shoalhaven City Council's Office and Nowra Library during office hours.

Visit the [RMS website for more details](#).

[See the Nowra Bridge Concept Designs](#)

RMS is hosting drop-in sessions:

- Nowra School of Arts - Thursday, 6 September, 4pm – 8pm
- Stocklands Nowra - Thursday, 13 September 4pm – 8pm
- North Nowra Shops - Saturday, 8

September, 11am – 3pm;
and Wednesday, 12 September, 11am –
3pm

**Book your Home Sustainability
Workshops Here**

Sustainability Workshops

Council's Waste Services department is pleased to offer another round of free [Home Sustainability workshops](#). From composting to Beeswax wraps, learn new techniques in household sustainability.

Bookings for all workshops are essential. Book [here](#).

Workshops are run at different venues for different lengths of time, e.g. some workshops ranging from 1½ hours to 3 hours long.

The program is funded by Shoalhaven City Council and workshops are offered to residents in the Shoalhaven Local Government area only.

A green poster for NSW Bike Week. It features the NSW Government logo, a cyclist icon, and the text 'NSW bike week Proudly supported by NSW Government'. The main title is 'Events around Shoalhaven' with the Shoalhaven City Council logo below it. Two events are listed: 'Dolphin Point Saturday 22 September 2018' and 'Huskisson to Vincentia Saturday 29 September 2018', each with a description and meeting details. At the bottom, there are logos for NSW Government and Transport, and the website 'shoalhaven.nsw.gov.au' with social media icons. A footer note says 'For more information visit transportnsw.info/bikeweek'.

Feedback Invited on

Draft Planning Proposal Guidelines

Council recently reviewed its Guidelines for Planning Proposals (Rezoning). These Guidelines set out how Council will manage and assess Planning Proposals, which are a type of planning application that can change the planning rules and zones that are set out in the Local Environmental Plan (LEP).

A new and expanded set of draft Guidelines have been prepared and Council is now seeking feedback from the community.

Submissions close Friday, 5 October 2018. Visit Council's [Get Involved website to find out more](#).

Still time to donate to the Mayoral Appeal

The Mayoral Appeal for the family of bushfire helicopter pilot, Alan "Tully" Tull is still open.

The experienced helicopter contractor died while protecting the Milton community during the Mount Kingiman fires.

Credit Card donations can be made at the [GiveNow webpage](#).

Vale Bruce McIntosh

Council would like to extend their sympathies to the family of Bruce McIntosh.

Bruce served as a Councillor from 1959 to 1977 and Shire President from 1962 to 1968.

Bruce played a major part in the dairy industry in the area and was highly regarded for his community work.

Overnight Shelter Needs your Support

Safe Shelter Shoalhaven was established with more than 22 local churches and the community joining together to support the homeless in our region by providing them with shelter over the winter period. A

Homelessness Taskforce was initiated by the Mayor with Council assisting SALT ministries in getting the safe Shelter ready in time for winter.
