

Council's next Ordinary Meeting will be held on Tuesday, 27 February at Nowra Administration Building. To see what is on the agenda see Council's Website [here](#).

On the Bus for Seniors Week

Seniors Week is 4-15 April 2018 and Council are seeking interested participants or events partners. Hosting an event is a great way to meet like minded people in your community.

Register your activities or events and receive up to \$300 worth of grants
Applications close Friday, 23 February 2018 [email Council](#) or phone Melissa on 4429 3411.

Revitalising Sussex Inlet

Works have commenced to revitalise the streetscape along Jacobs Drive, Sussex Inlet.

Designs for the project were developed in conjunction with the residents over a period of months in 2017 and it's wonderful to see work underway.

Council and the contractor will do their best to minimise inconvenience to the community during construction and appreciate the community's patience during this time. Works will officially commence on Monday, 19 February and are set to be completed by the end of June, weather permitting. For more information see [Council's website](#)

Roads and Works Update

Council appreciates that motorists who frequent Flinders Road and Albatross road

Project Update Albatross Road & Flinders Road Roundabouts (as at 19/2/18) - The primary roundabout at the Albatross Road and Flinders Road intersection is expected to be opened this week with through traffic on Albatross Road.

Ulladulla Deering Street – Shared User Pathway Stage 1, the construction of approximately 340m of concrete pathway 2.5m wide. Works will commence at the Ulladulla Soccer Fields and continue towards the Lighthouse for approx. 340m. For further information please call 4429 8902.

St. Vincent and Church Streets – A roundabout is proposed at the intersection of St. Vincent and Church Streets. This area is

network have been experiencing delays however the upgrades provide a critical link for industry and the improved link between Princes Highway and Albatross Road will greatly improve this network.

The \$6.75 Million upgrades is one of the most significant projects Council has undertaken on our local roads infrastructure and was made possible through a combination of Federal, State and Local funding. The project has experienced delays due to inclement weather and relocation of existing telecommunication, gas, water and electrical facilities, utilities and infrastructure to make way for the improvements.

now closed for roundabout installation until mid-March. This project is being funded under the Federal Blackspot Program for 2016/17

Vincentia Plantation Point Reserve – A section of the carpark entry road is being reconstructed. Vehicular access will be restricted during working hours for up to 3 days.

There are a number of projects across the Shoalhaven. Dates are subject to change due to weather conditions, emergencies or other unforeseen interruptions.

For more information please see [Council's website here.](#)

Family Day Care Exceed Compliance

Congratulations to Shoalhaven Family Day Care who have exceeded their rating as an Approved Provider of the Early Childhood Education and Care Directorate.

The service continues to maintain both compliance and the current rating which is 'Exceeding the National Quality Standards'. Read more on [Council's website.](#)
