## Hearts as Big as the Trucks they Drive

Recently Council's Red Landfill truck won 'Best Rigid' at the KidzFix Team Shoalhaven Motor Expo. An event dedicated to raise money to support sick kids, with this year's goal being the purchase of pediatric equipment for Shoalhaven and Milton/Ulladulla hospital.

Our contractor SUEZ and driver Wayne Jones (proudly showing off his trophy) have been very generous with their efforts of support for this great cause. On behalf of all Shoalhaven residents we thank you.

## Nowra pontoons

The works at the Nowra pontoons are not yet complete, additional work is still to be undertaken, with expected delivery at the end of July.

Additional floats have been manufactured and installation will commence within the next few weeks.

Works are in accordance with the plans. The wharf to the west of the previous sailing club structure will remain in place. [Read more on our website.](#)
