Every year fatigue is one of the leading causes of crashes on our roads, the 'Free Cuppa for the Driver' campaign is aimed at reducing the number of incidents as part of an RMS and Local Government initiative. You can identify participating businesses by their window decals, a tear drop banner or sandwich board with the free cuppa logo.

Labrador, but she has the heart the size of an elephant.

Instead of asking for toys for her birthday, Marlee asked for donations for the animals at the Shoalhaven Animal Shelter.

The shelter is always looking for donations of dog/cat toys, animal food, blankets and funds so they can continue doing their amazing work.

If Marlee has inspired you to donate items or funds to the animal shelter you can contact the shelter on **4429 3410** or visit the facility at **19 Nowra Hill Road (off BTU Road), Nowra Hill.**

Wombat Cleans Up Danjera Dam

Local Waste Warrior, Wombat, visited Danjera Dam Campground over the Easter Long weekend to tackle rubbish in the area.

Danjera Dam is located in Nowra's west, a place of historical and environmental significance and continues to play an important role in the Shoalhaven's water supply.

The campground area may appear clean but what can't be seen is the amount of rubbish that blows into the valley around the campground. Wombat and his team of little waste warriors collected three buckets full of rubbish in only 30 minutes.
