Shoalhaven Regional Gallery Success

Council's [Shoalhaven Regional Gallery](#) is celebrating their success on two grant funding announcements, securing almost \$700,000 towards specific projects at the gallery in the last six months.

New editions include the installation of an industry standard climate control system within the exhibition spaces at the Gallery and also support for a national tour of the Shoalhaven Regional Gallery commissioned exhibition [Promiscuous Provenance](#).

St Georges Basin Floodplain Risk Study and Plan Review

Residents have until 18 January to provide feedback on the St George's Basin Floodplain Risk Management Study and Plan.

This study will update the flood modelling to identify existing flooding behaviour within the catchment and will supersede the previous September 2001 St Georges Basin Flood Study, the December 2006 St Georges Basin Floodplain Risk Management Study and Plan and the St Georges Basin Floodplain Risk Management Study & Plan.
