

# NATURAL DISASTER

## Community grants

## FUNDING IS NOW OPEN!

Applications are now open for local organisations and community groups to support people in Southern NSW and the Shoalhaven deal with the uncertainty, stress and anxiety of drought conditions, or to recover from the effects of the recent bushfires.

### Drought support grants – Empowering our Communities

Empowering our Communities grants will fund group based activities in drought affected areas which promote community resilience and enhance community wellbeing, whilst delivering mental health and wellbeing benefits to individuals.

### Bushfire recovery grants – Supporting Communities in Recovery

Supporting Communities in Recovery grants will fund community activities in bushfire affected areas which strengthen social connectedness, emotional wellbeing and assist communities to recover and heal from the recent bushfires.

### Grant funding

Funding of up to \$10,000 is available for small to medium organisations and community groups, with two levels of grant amounts for each activity:

- Level 1 - up to \$1,500
- Level 2 - \$1,501 to \$10,000

**These are open grant programs and can be applied for at any time until funding has been exhausted.**

### How to apply

To apply for a South Eastern NSW PHN natural disaster community grant, go to:

[www.communitygrants.info](http://www.communitygrants.info) where you can find more information on eligibility, grant guidelines and complete an application form for either initiative.
