Call for Grant Applications – Shoalhaven Local Heritage Assistance Fund Program 2022–2023

Council is continuing its commitment to local heritage with the provision of grant funds to assist owners of heritage items listed in the Shoalhaven Local Environmental Plan 2014. The fund provides grants of up to \$5,000 for a range of small heritage projects such as minor maintenance and conservation works, adaptive reuse and conservation management plans. Successful applicants are required to match the grant funding amount, \$ for \$, from their own funds.

The 2022–2023 Local Heritage Assistance Fund will focus on 'severe weather events and flood relief' within a heritage setting, in recognition of the impact of the recent floods on the Shoalhaven Community and its heritage items. Priority will be given to the projects that seek to restore heritage items affected by flood/severe weather events, with any remaining funds allocated as per the existing process.

Information on eligibility and assessment criteria is available on the application form on Council's website at <https://www.shoalhaven.nsw.gov.au/Council/Grants-Funding/Shoalhaven-Local-Heritage-Assistance-Fund>

All applicants will be advised of the outcome of their application and successful projects must be completed by Friday, 31 March 2023.
