--	-----------------------

External bodies exercising functions delegated by Council

Local Government (General) Regulation 2021 - Section 217 Clause 1 (a6)

Council has not given any delegation to external organisations during 2022/23.

Corporations, partnerships, trusts, joint ventures, syndicates or other bodies in which Council held a controlling interest

Local Government (General) Regulation 2021 Section 217 Clause 1 (a7)

During 2022 - 23 Shoalhaven City Council held a controlling interest in "Southern Water Services Pty Ltd." This company was established by Council to develop its commercial interest in recognition of the National Competition Policy and to operate on a commercially viable basis.

Corporations, partnerships, trusts, joint ventures, syndicates or other bodies in which Council participated during the year

Local Government (General) Regulation 2021 – Section 217 Clause 1 (a8)

Water Services

During 2022/23 Shoalhaven City Council participated as a member of the NSW Water Directorate, member of the Water Services Association of Australia (WSAA), and as a corporate member of the Australian Water Association (AWA) and Water Aid Australia.

Illawarra Shoalhaven Joint Organisation

The Illawarra Shoalhaven Joint Organisation (ISJO) is a partnership between Wollongong City Council, Shellharbour City Council, Kiama Municipal Council and Shoalhaven City Council. ISJO provides a framework for member councils to work together in collaboration with the NSW Government to deliver outcomes for the communities of the Illawarra Shoalhaven.

Local Government Internal Auditors Network (LGIAN)

Involves Internal Auditors from various Councils in NSW as well as other professional bodies.

Local Heritage Assistance Fund

With the assistance of Heritage NSW through its Heritage Grants Program, Council runs the Shoalhaven Local Heritage Assistance Fund to promote cultural heritage across the Shoalhaven and assist owners of heritage listed properties and community groups with basic repairs, conservation works and small education and interpretation projects.

NSW Health

Shoalhaven City Council Environmental Health Officers are part of the Illawarra Shoalhaven Local Health District and Local Government Liaison Group. Under the Public Health Act 2010 mandatory reporting of notices issued by Council is required to be provided to NSW Ministry of Health.

During 2022/23

- 11 Improvement Notices issued on semi-public swimming pools
- 1 Improvement Notice for a skin penetration premise
- 2 Prohibition Orders were issued closing semi-public swimming pools

NSW Food Authority

Council in conjunction with the NSW Food Authority form the NSW Food Regulation Partnership. This partnership works together to ensure food retail outlets in the Shoalhaven LGA are Food Act 2003 and Food Regulation 2015 compliant and are processing and selling safe food. Under this Partnership, mandatory annual reporting by Council is required. The following statistics were provided for 2022/23 financial year.

Food Businesses	Number
High risk Fixed Food Premises	282
Medium risk Fixed Food Premises	243
Low risk Fixed Food Premises	319
Total	844
Temporary Food Premises	116
Mobile Food Premises	122
Inspections	
Number of Primary (1st) Inspections	710
Scores on Doors	
Businesses rated as 5 stars (Scores on Doors)	246
Businesses rated as 4 stars (Scores on Doors)	112
Businesses rated as 3 stars (Scores on Doors)	36
Businesses rated as 0 stars (Scores on Doors)	20
Enforcement	
Number of Warnings issued	108
Improvement Notices	15
Penalty Notices issued	3
Seizures	0
Prohibition Orders served	2
Prosecutions	0

South Coast Cooperative Libraries

The South Coast Cooperative Libraries is a co-operative comprising the two local government areas of Shoalhaven and Kiama. Kiama outsource most of the purchasing, cataloguing and processing of their book and non-book materials to Shoalhaven. The primary role of the Cooperative Libraries is to set budget estimates for the partner book and non-book resources, develop mutually beneficial partnerships and to apply for joint grants where appropriate.

Workforce diversity

Local Government (General) Regulation 2021 - Section 217 Clause 1 (a9)

Shoalhaven City Council (SCC) is committed to providing an inclusive workplace culture that values the diversity of our local community and one that is responsive to their needs. We will achieve this by having a workplace culture which provides equity of access to employment opportunity to improve the diversity of Council's workforce.

Council's Equal Employment Opportunity (EEO) Management Plan 2022-2025 outlines Council's EEO strategies which are underpinned by Council's Core Values of Respect, Integrity, Adaptability and Collaboration.

Council aims to create a diverse and skilled workforce that will have the capabilities to deliver quality services to our community and to build on what has already been accomplished. It is Council's aim to provide a workplace which is free from discrimination, harassment and bullying and one that is safe for all employees, contractors, customers and agents.

In Council's Workforce Plan for 2022 - 2025, strategies were identified to ensure Council's recruitment processes deliver a diverse workforce that is representative of the community and achieve the objectives of Council's Disability Inclusion Action Plan.

Council's offering of flexible work programmes including flexible work arrangements, remote working, transition to retirement, rostered days off, variable working hours and working from home

opportunities support further the ability of staff to maintain a work / life balance.

In 2023, the overall percentage of women in the SCC workforce was 45%. Shoalhaven City Council has an ageing workforce, with 39.65% of staff aged 50 or older. This contrasts to only 20.44% of workers aged 30 and under.

Council has in place an established traineeship and apprenticeship program to assist in attracting and retaining young people within the organisation through an agreement with a third-party provider with on average 50 participants involved. Council continues to provide work experience opportunities for high school students and internship opportunities to students studying in various disciplines at Universities across NSW.

Council currently has eight indigenous identified positions in Community Connections, Building & Compliance, Environmental Services and Library Services including a cadet position. These designated indigenous positions are authorised by Shoalhaven City Council's EEO Management Plan and Aboriginal Employment Strategy in accordance with Part 9A of the Anti-Discrimination Act 1977 (NSW).

Councillor training & professional development

Local Government (General) Regulation 2021 – Section 186

In accordance with the Council’s adopted Induction and Ongoing Professional Development for Mayors and Councillors Policy, each Councillor has an agreed Individual Ongoing Professional Development Plan. In addition to formal training arranged for each Councillor as part of their Plans, Councillors were provided the OLG Circulars and weekly Councillor Briefing sessions each Thursday and numerous Draft Budget Workshops held on Saturdays. Please refer to the table below for the total cost (per Councillor) of the Induction and Ongoing Professional Development (Training) provided during the 2022/23 financial year. Councillor Liza Butler resigned from her position as Ward 3 Councillor (effective 1 June 2023) following her election as Member for South Coast in the NSW Parliament. On 5 June 2023, Council resolved (MIN23.285) to declare a casual vacancy of a Councillor to filled by Countback election.

Senior staff remuneration package

Local Government (General) Regulation 2021 – Section 217 Clause 1 (b) and (c)

- Shoalhaven City Council is a multi-purpose Council administering traditional local government activities as well as other major activities such as the provision of water and sewerage services, tourism and industrial development.
- The total assets of the City is over \$5.5 billion which would place the City, in asset value terms, among the top 10 percent of organisations within Australia.
- Council employs close to 1,200 staff on a full-time equivalent basis including temporary/fixed term staff as required.
- Council administers approximately 99 Acts of Parliament and associated regulations and needs professional staff that have a wide-ranging appreciation of the legal requirements associated with a complex government instrumentality.
- Council's activities link strongly to other Government agencies, particularly at the State level, which requires sensitive handling where State Government changes the political emphasis from time to time.
- The total amount of money payable for salary, fringe benefits, vehicle and other on-costs for Council's senior staff, including the Chief Executive Officer and five Directors in 2022/23 is summarised as follows:
 - Chief Executive Officer - \$403,134 pa
 - Combined Directors - \$1,573,142 pa

Annual reporting of labour statistics

Local Government (General) Regulation 2021 - Section 217 Clause 1 (d)

On the 'relevant day' of **23 November 2022**, Council had total number of the following:

Category	Number
Persons directly employed by the council on a permanent full-time basis	933
Persons directly employed by the council on a permanent part-time basis	94
Persons directly employed by the council on a casual basis	217
Persons directly employed by the council under a fixed-term contract	68
Persons employed by the council who are "senior staff" for the purposes of the Local Government Act 1993	6
Persons engaged by the council, under a contract or other arrangement with the person's employer, that is wholly or principally for the labour of the person	55
Persons supplied to the council, under a contract or other arrangement with the person's employer, as an apprentice or trainee	42

Shoalhaven Water

Stormwater management services

Local Government (General) Regulation 2021 – Section 217 Clause 1 (e)

Council's projected 2022/23 Stormwater Management Program was funded the following way:

- \$203,088 – Council revenue
- \$1,160,912 – Additional rates Stormwater Levy

The actual result was:

- \$148,842 – Spent from Council revenue
- \$430,685 – Spent from prior year rates Stormwater Levy
- \$1,142,040 – Spent from current year rates Stormwater Levy

Council also carried forward into 2023/24 unspent storm water funds of \$24,000

Companion animals act

Local Government (General) Regulation 2021 – Section 217 Clause 1 (f)

Statement of activities relating to enforcing and ensuring compliance with the Companion Animals Act and Regulation including information on:

Lodgement of Pound data collection returns with the department

The information contained in this section of the Annual Report is reported to the Office of Local Government (OLG) in accordance with their guidelines. The data was lodged in July 2023.

Lodgement of Data relating to dog attacks with the department

Dog Attacks were reported via OLG reporting system as incidents occurred. During the reporting period there were 308 dog attacks reported to the OLG by Shoalhaven City Council (SCC). Only dog attacks reported to Council are included in this figure.

Amount of funding spent relating to companion animal management activities

Shoalhaven City Council has spent a total of \$1,869,759 in respect of companion animal management and related activities during the reporting period.

Companion animal community education programs carried out

- Ranger Services continue to raise community awareness on companion animals via Council's website and by staff when communicating with pet owners and the general public.
- In July 2021 Council was successful in a submission to receive funding and work with RSPCA on a four-year project – Keeping Cats Safe at Home. Education via RSPCA generated media releases and online content continues. A Healthy Pet Day was held in Nowra on 24 June 2023 to provide microchipping and discount desexing vouchers.
- The responsible dog ownership campaign commenced – "Your Dog, Your Responsibility". This has included monthly radio interviews, social media, posters displaying key messaging and brochures available to the public. Five videos have been created and will be released in 2023-24 financial year.

- Shoalhaven Animal Shelter's Facebook page now has over 23K followers. During the period, there were 52 "Did you know" posts sharing information about responsible pet ownership. This included pet registration requirements, desexing assistance, surrendering your pet, keeping cats safe at home and socialising your dog. Each week videos about a cat and a dog of the week are posted.
- Information on Council's website, along with posters, brochures and flyers are made available to the public. Ranger vehicles are enhanced with Responsible Pet Ownership material with pictures and key messaging.
- Rangers conduct proactive patrols of beaches to identify owners and their dogs not complying with the Companion Animals Act. This is especially relevant when it is shorebird nesting season. Approximately 2,700 patrols were undertaken this financial year.

Shoalhaven Libraries have made available books, e-books, DVD's and CD's to help pet owners with a variety of dog and cat issues. The library has a movie streaming service called Kanopy which has documentary titles such as "Dog Training 101" and "Understanding Your Dogs Behaviour".

Strategies Council has in place to promote and assist the desexing of dogs and cats

- Shoalhaven Animal Shelter promotes the desexing of dogs and cats in conjunction with the Animal Welfare League and RSPCA. Pet owners bring their animal to the shelter to be microchipped and to provide supporting documents. Their details are forwarded to Animal Welfare League or RSPCA who arrange desexing with local Veterinarians.
- All dogs and cats that are not desexed which are reclaimed from the Shelter are provided with information about discounted or free desexing programs offered by the Animal Welfare League and the RSPCA.
- All animals adopted from the Shelter are desexed. This shows Council's commitment to the importance of desexing animals. Rangers, Shelter Animal Attendants and Administration staff regularly provide educational and regulatory

information to the public to promote animal desexing.

Owners of non-desexed pets who come to the attention of Council are encouraged to take advantage of the discounted registration fee for desexed animals.

Strategies to comply with Section 64 (Companion Animals Act) to seek alternatives to euthanasia for unclaimed animals

Council commenced managing the Animal Shelter in June 2018. Since this time, the Shelter has had a zero-euthanasia rate of healthy adoptable animals. Council has achieved this result by implementing the following procedures:

- Providing the public with information on rehoming before using the Shelter as a last resort to surrender their animal.
- Referrals to working dog rescues or breed specific groups who offer assisted rehoming.
- Transfer to rescue groups specialising in older dogs and cats which may require medical treatment.
- Decrease in adoption fees when the animal has been available for adoption for more than 30 days.

Off-Leash Areas provided in the Council area

Shoalhaven City Council's Access Areas for Dogs Policy and Dog Off-Leash Guide provides dog owners who utilise the public domain with conduct guidelines set out by Council in line with the Companion Animals Act 1998. The identified purpose of Council's Access Areas for Dogs Policy [POL16/173] is:

"to provide dog owners with public domain conduct guidelines as well as to define off-leash, on-leash and prohibited dogs areas for land and assets within the ownership, management, care and control of Council."

Council's policies are subject to review every four years in line with the Local Government election cycle. With the postponement of the Local Government elections until late 2021 due to COVID-19, the comprehensive review of the Access Areas for Dogs Policy is now being undertaken. As part of this a thorough review of existing areas, their access categorisation, and signage will be undertaken. The Policy review involves extensive community consultation with key stakeholders and community using a variety of mediums such as workshops, survey and public drop-in sessions.

The various off-leash, on-leash and prohibited areas that result from the policy review will be subject to the required environmental studies.

The Policy aims to improve and encourage greater compliance with designated dog access areas.

Further details regarding the Policy Review can be found on Council's Get Involved page at the link below:

<https://getinvolved.shoalhaven.nsw.gov.au/review-of-access-areas-for-dogs-policy>

<https://www.shoalhaven.nsw.gov.au/For-Residents/Pets-Animals/Off-leash-Prohibited-Areas>

Rates & charges written off

Local Government (General) Regulation 2021 – Reg 132

The following is a summary of rates and charges written off during the period 1 July 2022 to 30 June 2023. Abandoned rates and charges are determined under various sections of the Local Government Act 1993 which include:

Write Off Type	Amount	Rebates affecting Revenue	Amount
Abandoned – Rates	\$5,666.71	Bushfire - Write off Charges	Nil
Postponed Abandoned – Rates	\$3,713.07	Leak Reduction Rebate	\$75,851.43
Pensioner Rebates – Rates	\$2,679,878.50	Drought Rebate	Nil
Adjustments – Water	\$22,758.79	Water Usage Payment Assistance	\$5,693.50
Abandoned – Water	\$231.23	Total	\$81,544.93
Write off Balance – Water	\$317.98		
Pensioner Rebates – Water and sewer	\$939,585.98		
Total	\$3,652,152.26		

- a. Section 564(2) of the Local Government Act 1993, which states Council may abandon interest charges on ratepayers who make periodical payments of their rates and charges to Council.
- b. Section 567 of the Local Government act 1993, which enables Council to abandon interest on rate accounts whereby in Council's opinion, the person is unable to pay the accrued interest "for reasons beyond the person's control" or payment of the accrued interest would cause the person hardship.
- c. Section 595 of the Local Government Act 1993 requires Council to write off postponed rates and charges which have accrued for more than five years.
- d. Section 583 of the Local Government Act 1993 requires Council to write off rates, charges and interest for an eligible pensioner who is entitled to a pensioner rebate.

Public interest disclosures act 1994

Public Interest Disclosures Act 1994, s 31

Public Interest Disclosures Regulation 2011, cl 4

The Public Interest Disclosures Act, 1994 (PID Act) requires that Council report annually on its obligations under the PID Act. This report is made in accordance with Sections 31 and 6E of the PID Act, and Clause 4 of the associated regulations.

The PID Act encourages and facilitates the disclosure, by public officials, of:

- Corrupt conduct
- Maladministration
- Serious and substantial waste of public money
- A breach of the Government Information (Public Access) Act, 2009
- A breach of pecuniary interest obligations under the Local Government Act, 1993.

The Act sets out a comprehensive framework for protecting public officials who disclose wrongdoing and provides clear pathways for those wanting to make disclosures.

Council's internal reporting policy contains the procedures relating to the lodgement, receipt, assessment and handling of public interest disclosures.

Council's internal reporting policy and other information about the Act has been made available to staff through Council's intranet and staff induction sessions.

In the reporting period 1 July 2022 and 30 June 2023 Council received 2 Public Interest Disclosures. Statistical information was provided to the NSW Ombudsman as required under the PID Act.

Government information (public access) act 2009

Government Information (Public Access) Act 2009, s 125(1)

Government Information (Public Access) Regulation 2018, cl 8, Schedule 2

Under Section 7 of the GIPA Act, agencies must review their programs for the release of government information to identify the kinds of information that can be made publicly available. This review must be undertaken at least once every 12 months.

Council's Program for the proactive release of information involves the review of all access applications to ascertain if there is certain information that is continually being requested and if so deciding if that information can be placed on Council's website. As a result of this review, Council has not released any further information proactively.

Council has actively sought to place information on its website identified as being readily available (having regard to its format etc.) for viewing by the public. Council, as a practice, gives consideration to public access availability of all new projects, initiatives and developments.

Whilst Council reviews its decision about proactively releasing information on an annual basis, it will also release information proactively as and when required.

carried forward for processing from the previous reporting period.

- Twenty-six (26) applications were processed during this reporting period as three (3) of the applications received during this reporting period were carried forward to be processed in the next reporting year.

Number of Formal access applications refused either wholly or partly because the application was for the disclosure of information referred to in Schedule 1 of the Act – Clause 7(c)

- During the reporting period, 1 application was refused in part because the application was for the disclosure of information referred to in Schedule 1 of the Act.

Number of Formal access applications received - Clause 7(b)

- During the reporting period, our agency received a total of twenty four (24) formal access applications and five (5) applications were

Statistical information about access applications - Clause 7(d) and Schedule 2

Table A: Number of applications by type of applicant and outcome *

Applicant	Access granted in full	Access granted in part	Access refused in full	Information not held	Information already available	Refuse to deal with application	Refuse to confirm/deny whether information is held	Application withdrawn	Total
Media	0	0	0	0	0	0	0	0	0
Members of Parliament	0	0	0	0	0	0	0	0	0
Private sector business	1	0	1	0	0	0	0	0	2
Not for profit organisations or community groups	0	0	0	0	0	0	0	0	0
Members of the public (application by legal representative)	4	3	0	1	0	0	0	0	8
Members of the public (other)	9	6	1	0	0	0	0	0	16
Total	14	9	2	1	0	0	0	0	26

*More than one decision can be made in respect of a particular access application. If so, a recording must be made in relation to each such decision. This also applies to Table B.

Table B: Number of applications by type of application and outcome

Applicant	Access granted in full	Access granted in part	Access refused in full	Information not held	Information already available	Refuse to deal with application	Refuse to confirm/deny whether information is held	Application withdrawn	Total
Personal information applications*	0	1	1	0	0	0	0	0	0
Access applications (other than personal information applications)	14	6	1	1	0	0	0	0	22
Access applications that are partly personal information and partly other applications	1	3	0	0	0	0	0	0	4
Total	15	9	1	1	0	0	0	0	26

*A personal information application is an access application for personal information (as defined in clause 4 of Schedule 4 to the Act) about the applicant (the applicant being an individual).

The total number of decisions in Table B should be the same as Table A.

Table C: Invalid applications

Reason for invalidity	Number of applications
Application does not comply with formal requirements (section 41 of the Act)	5
Application is for excluded information of the agency (section 43 of the Act)	0
Application contravenes restraint order (section 110 of the Act)	0
Total number of invalid applications received	0
Invalid applications that subsequently became valid applications	4

Table D: Conclusive presumption of overriding public interest against disclosure: matters listed in Schedule 1 of the Act

Item	Number of times consideration used*
Overriding secrecy laws	0
Cabinet information	0
Executive Council information	0
Contempt	0
Legal professional privilege	1
Excluded information	0
Documents affecting law enforcement and public safety	0
Transport safety	0
Adoption	0
Care and protection of children	0
Ministerial code of conduct	0
Aboriginal and environmental heritage	0

*More than one public interest consideration may apply in relation to a particular access application and, if so, each such consideration is to be recorded (but only once per application). This also applies in relation to Table E.

Table E: Other public interest considerations against disclosure: matters listed in table to section 14 of the Act

Item	Number of times consideration used
Responsible and effective government	15
Law enforcement and security	0
Individual rights, judicial processes and natural justice	8
Business interests of agencies and other persons	2
Environment, culture, economy and general matters	0
Secrecy provisions	0
Exempt documents under interstate Freedom of Information legislation	0

Table F: Timeliness

Item	Number of applications
Decided within the statutory timeframe (20 days plus any extensions)	16
Decided after 35 days (by agreement with applicant)	5
Not decided within time (deemed refusal)	5
Total	26

Table G: Number of applications reviewed under Part 5 of the Act (by type of review and outcome)

Item	Decision varied	Decision upheld	Total
Internal review	0	0	0
Review by Information Commissioner*	0	0	0
Internal review following recommendation under section 93 of Act	0	0	0
Total	0	0	0

*The Information Commissioner does not have the authority to vary decisions but can make recommendation to the original decision-maker. The data in this case indicates that a recommendation to vary or uphold the original decision has been made.

Table H: Applications for review under Part 5 of the Act (by type of applicant)

Applicant	Number of applications for review
Applications by access applicants	0
Applications by persons to whom information the subject of access application relates (see section 54 of the Act)	0

Table I: Applications transferred to other agencies

Transfer type	Number of applications transferred
Agency Initiated Transfers	0
Applicant Initiated Transfers	0

Planning agreements

Environmental Planning and Assessment Act 1979, Section 7.5(5)

The following planning agreements were in force in the year 2022/23. Note:

- Status 'executed' refers to planning agreements that were entered into at some time before or during 2022/23 and remained in force during 2022/23.
- Status 'finalised' refers to executed agreements where the obligation/agreement ended at some time in 2022/23.

Report on certain proposed capital works projects where a capital expenditure review had been submitted

OLG Capital Expenditure Guideline

Boongaree – Staged Delivery – North Street Berry

Boongaree is an ambitious initiative to revitalise the northern edge of Berry. Development of this site is being undertaken in conjunction with the recently delivered Princes Highway bypass and to ensure Berry remains an attractive place to live and visit.

Census data indicates the Berry – Kangaroo Valley area grew by 7.9% between 2016 and 2021 (ABC, QuickStats). This growth is placing significant pressure on public places and recreation facilities in the area. The Boongaree project aims to transform existing, aging local recreation facilities into a contemporary destination park. Boongaree has already cemented its role as a popular gateway attraction to the Shoalhaven.

Overview of works delivered during previous reporting period (2021/22 financial year):

Stage 1: Playground and learn-to-ride + off-street parking

The playground, learn-to-ride, and parking was successfully completed in January 2022. Works delivered in collaboration with Berry Rotary Club. These facilities quickly became a popular recreational asset for families and young children.

Infrastructure delivered includes an early childhood play zone with accessible adventure play equipment and opportunities for nature play, including sand and water play, climbing logs, bridges, tunnels, cubby house and tractor. Other elements include a flying fox, climbing nets, sensory play, family picnic and BBQ spaces, amenities with lift and change facilities, and exercise equipment.

- Total spend: \$6.2M

Overview of works delivered during this reporting period (2022/23 financial year):

Stages 2 & 3: Skatepark and pump track

A skatepark and pump track were delivered in early

2023. Further work is underway to improve irrigation and drainage in this area (ongoing). Skatepark lighting was installed in July 2023 and activated 14 August 2023, allowing users to enjoy the facility during extended hours on weekdays.

- Total spend: \$2.2M

Stage 4a: Netball courts and cricket nets

Netball courts and cricket nets were delivered late 2022.

- Total spend: \$1.5M

Overview of future stages of work (yet to be delivered):

Stage 4b: Reconciliation garden

Landscape plans for a reconciliation garden are currently being revised, based on community engagement and stakeholder input provided in early to mid-2022. Further direct engagement with key Aboriginal stakeholders, Elders, and Aboriginal communities regarding updated concept plans will commence shortly.

- Total spend (to date): \$35,800
- Cost estimate: \$350,000

Stages 5 & 7: Senior and junior sporting fields + off-street parking

Detailed designs for junior and senior sporting fields have been developed and are undergoing thorough review by Council's project teams. In response to community concerns, the scope of parking investigations at Boongaree has been increased to include additional parking West of Alexandra Street. Parking components yet to be finalised include:

- 90-degree parking on North St - Both East and West of Alexandra St.
- Parking areas south and east of the senior sporting fields.
- Long vehicle parking opposite Alexandra St.

- Bus turnaround area.

Detailed designs for all parking areas are currently under development, with further information and engagement with key stakeholders to follow.

- Cost estimate: \$7.2M

Stage 6: Dog off-leash exercise area

Landscape plans are being revised, based on community feedback provided in late 2022.

- Total spend (to date): \$8,400
- Cost estimate: \$655,000

Maintenance Shed:

Plans are being progressed for the provision of a maintenance shed at Boongaree, to house operational machinery and staff. Development application submission pending.

- Cost estimate: \$100,000

Shoalhaven Community & Recreation Precinct (SCaRP) – Artie Smith Stage

The Shoalhaven Community and Recreation Precinct (ScaRP) is an integrated community and recreational precinct developed to meet the needs of the region, operating on a commercially viable and sustainable basis seven days a week.

Construction commenced to upgrade Artie Smith Oval in Bomaderry in November 2021 and has continued throughout 2022/23 despite adverse weather

conditions being encountered early in the project.

The new sporting facilities include;

- a new AFL/Cricket field and pavilion clubhouse and amenities
- cricket practice facilities
- four croquet courts, clubhouse and amenities
- open space embellishments, including play and exercise equipment, landscaping, pathways and seating furniture
- onsite car parking
- perimeter security fencing providing pedestrian access.

The facility is funded jointly by Shoalhaven City Council and the Bushfire Local Economic Recovery (BLER) Program, that is co-funded by the Australian and NSW Government with an \$8 million grant and \$12 million investment from Council.

The construction contract value is \$14.3 million and the total project budget is \$17.9 million.

New Sanctuary Point District Library

Shoalhaven City Council has committed funding towards the design and construction of a new Regional Library for the Bay and Basin area in Sanctuary Point.

The Sanctuary Point District Library will be a significant project in the Sanctuary Point township CBD by providing a hub of community activity; access to technology and information; a place for meeting, collaborating, connecting, studying; and access to business spaces, reader services and collections.

The Sanctuary Point Regional Library is currently in the detailed design phase with the design 98% completed. The DA for the proposed building was endorsed by Council at the Ordinary Meeting of 8 May 2023, and on 19 May 2023 development consent was provided by the Southern Regional Planning Panel.

Project funding for the construction phase is partly funded with \$7.5M provided by the Federal Member of Parliament, Fiona Phillips, under the auspices of the Priority Community Infrastructure Grant Program. This is additional to the funding that Council received under the NSW Public Library Infrastructure Funding Program, which has provided a contribution of \$450,000 towards the library fit out.

Next stages include completion of the design work, including finalisation of the public art components of the project, engagement of Principal Certifying Authority and receipt of Construction Certificate. Once the Construction Certificate is received, detailed design will be considered 100% complete and the project will be shovel-ready for implementation pending identification of sufficient funding.

Anti-Slavery

Introduction

This Modern Slavery Statement is provided by Shoalhaven City Council in accordance with Section 428 (4) of the NSW Local Government Act 1993. This statement outlines Shoalhaven City Council's commitment to combatting modern slavery and the measures we have implemented during this reporting period to reduce the risk of our procurement activities resulting in or contributing to human rights violations. We recognise that modern slavery is a significant global human rights issue and are determined to eliminate all its forms from our organisation. We acknowledge our responsibility to raise awareness among our staff and external supply base about the risk modern slavery poses to an ethical and equitable workplace.

Organisational Structure and Supply Chain

Shoalhaven City Council is located 2 hours south of Sydney with a population of over 100,000, covering 160 km and 300,000 hectares of coastline, mountains, and hinterland. The Council has administrative offices located in Nowra in the north and Ulladulla in the south. We have implemented a centre-led procurement structure that provides governance over the expenditure activities across the organisation. We recognise the importance of taking steps to ensure that goods and services procured by and for our council are not the product of modern slavery.

The council has an annual operating and capital spend of approximately \$500M. The Council's highest categories of expenditure include materials, contractors, consultants, and utilities.

Policy

Shoalhaven City Council has a procurement policy and procurement procedure outlining the Council's commitment to preventing and addressing modern slavery in all its procurement activities. The Council has undertaken a review of its existing active suppliers to raise awareness of modern slavery within the supply chain. This survey was conducted in collaboration with the Illawarra Shoalhaven Joint Organisation of Councils – Wollongong, Shellharbour, Kiama, and Shoalhaven. All suppliers have been assigned a modern slavery risk and the management of this risk is considered in procurement processes. All new suppliers are required to respond to a modern slavery questionnaire as part of the supplier onboarding process and a modern slavery risk is then allocated. Council's formal procurement processes require suppliers to complete a Modern Slavery Statement with a submitted offer.

Environmental upgrade agreements

Include particulars of any environmental upgrade agreement entered into by the Council – Act s 54P(1)

Council has not entered into any environmental upgrade agreements under s 54P(1) of the LG Act during the 2022/23 financial year.

Recovery and threat abatement plans

Recovery and threat abatement plans - Councils identified in a plan as responsible for implementation of measures included in the plan, to report on actions taken to implement measures as to the state of the environment in its area – Fisheries Management Act 1994, s220ZT (2)

During the 2022/23 financial year, Shoalhaven City Council was not identified as being responsible for implementing any measures included in a recovery or threat abatement plan under s 220ZT(2) of the Fisheries Management Act 1994. NSW DPI Fisheries has one active threat abatement plan – Removal of large woody debris from NSW rivers and streams and Council did not undertake activities that would be considered to contravene the objectives of this plan. Council continued to collaborate with the NSW Department of Primary Industries through the development of the Coastal Management Program and sought permits under Part 7 of the Fisheries Management Act 1994, where required.

Shoalhaven City Council disability inclusion action plan 2022-23

progress report – annual report

Shoalhaven City Council’s (SCC) Disability Inclusion Action Plan (DIAP) was adopted on 27 June 2022. The DIAP was prepared in accordance with the NSW Disability Inclusion Act (2014) and was prepared in consultation with community members living with disability, their supporters and service providers.

The DIAP demonstrates Council’s commitment to building an accessible and inclusive community to ensure that people with disability enjoy the right to live their lives as they choose and enjoy the opportunities and benefits of living and working in the Shoalhaven.

Aligned with the NSW Disability Inclusion Plan, our plan organises actions into the following areas of focus that people with disability said were priority areas.

These focus areas are:

1. Create positive attitudes and behaviours within community
2. Create accessible and liveable communities
3. Improve access to our systems and processes
4. Support access to meaningful employment

Glossary

DIAP	Disability Inclusion Action Plan
IAAG	Inclusion and Access Advisory Group
NDIS	National Disability Insurance Scheme
PAMP	Pedestrian Access and Mobility Plan
TfNSW	Transport for New South Wales
WCAG	Web Content Accessibility Guidelines

Focus Area	1. Create Positive Attitudes and Behaviours Within Community	
Action No.	Actions	Status
A1.1.1	Deliver a campaign with lived experience ambassadors to tell stories of inclusion and experiences of living with a disability	
A1.1.2	Update and increase usability of the 'Inclusive Shoalhaven holidays' page to raise awareness of accessible tourism	
A1.1.3	Increase image and video library of diverse people available for use in Council documents/material	
A1.2.1	Create a comprehensive (one-stop-shop) SCC webpage to link all accessible Council services	
A1.2.2	Improve how Council uses the Annual report to raise community awareness of our inclusion work	
A1.2.3	Raise awareness of IAAG and their work within the Shoalhaven community	
A1.3.1	Deliver training for front line staff and Councillors on disability awareness and education	
A1.3.2	Consult the community about their perceptions and understanding of neurodiversity to inform future work to make the Shoalhaven neurodiverse friendly	
A1.4.1	Advocate for all applicant businesses to address inclusion as part of the Shoalhaven business awards assessment	
Focus Area	2: Create Accessible and Liveable Communities	
Action No.	Actions	Status
A2.1.1	Prepare an updated Pedestrian Access and Mobility Plan (PAMP) and ranking criteria to identify projects that need action and funding to address access improvements	
A2.1.2	Use the Pedestrian Access and Mobility Plan (PAMP) and ranking criteria to deliver projects that improve access. – Works and Services – District Engineers	
A2.1.3	Use an annual IAAG workshop to seek input on kerb ramp projects to improve accessibility	
A2.1.4	Use kerb ramp budget to deliver priority kerb ramp projects, including those identified by annual committee workshop	
A2.2.1	Inspect and review destination and regional parks for the need for fenced areas to make inclusive parks friendlier to parents and carers with children and people with disability	
A2.2.2	During refurbishment and renewal projects, budget is allocated to make inclusive parks friendlier to parents and carers with fenced areas for children and people with disability	
A2.2.3	Development/redevelopment of destination parks will include inclusive and accessible playgrounds	
A2.2.4	Formalise an accessibility advocate to be involved in the development of tenders & RFQ's for playgrounds	
A2.2.5	All new masterplans will make social infrastructure inclusive for people living with a disability	
A2.3.1	Develop and use resources that support Council to plan accessible events	

Focus Area	2: Create Accessible and Liveable Communities	
Action No.	Actions	Status
A2.3.2	Develop and use resources that support the community to plan accessible events	
A2.3.3	Include accessibility information in the promotion of events	
A2.3.4	Seek community feedback to evaluate Community Connections events for venue and event accessibility	
A2.3.5	Update the event policy (for events run by community groups and businesses) to encourage improved accessibility for events in the Shoalhaven	
A2.4.1	Conduct accessibility audits of priority Council buildings and use existing asset maintenance and renewal budgets to upgrade	
A2.4.2	For all new publicly accessible buildings, accessibility feedback on the design will be sought from the IAAG	
A2.5.1	Review development controls in Shoalhaven DCP with a view to improving accessibility outcomes and implement amendments to Shoalhaven DCP with support from Council. This aims to improve availability and quality of accessible housing in the Shoalhaven in the long-term	
A2.5.2	Work with TfNSW to improve accessible transport in the Shoalhaven	
A2.5.3	Support the IAAG to provide advice on accessible parking requests from the community to the Traffic Committee	
A2.5.4	Provide training to Council staff on disability access standards and legislation	
Focus Area	3: Improve Access to Our Systems and Processes	
Action No.	Actions	Status
A3.1.1	Upgrade the foundations of our website technology and use improved capability to improve all Council websites to meet WCAG 2.1 AA standards	
A3.1.2	Create a framework for the transition to online accessible forms	
A3.1.3	Deliver training for content author staff to understand accessibility standards and improve digital inclusion	
A3.2.1	Improve inclusion and accessibility of Council's community engagement activities by ensuring the Engagement Strategy reflects best practice	
A3.2.2	Increase opportunities for participation in the IAAG and build group capacity	
A3.2.3	Add agenda item for relevant advisory committee meetings to review and improve inclusion	
A3.3.1	Use the procurement policy review to improve consideration of social and sustainability outcomes in procurement processes. This aims to improve the ability of Council teams to consider social outcomes of potential suppliers, such as disability employment by social enterprises.	

Focus Area	4: Support Access to Meaningful Employment	
Action No.	Actions	Status
A.4.1.1	Review the employment application process for accessibility and raise awareness of available support and alternative processes	
A4.1.2	Provide training on disability awareness to teams where a person with a disability has been recruited	
A4.2.1	Actively promote work experience, traineeships and volunteer roles to people with disability	
A4.2.2	Engage with Council teams to identify and support development of opportunities for people with disability, including work experience, traineeship, volunteer and employment roles, and project work	
A4.2.3	Identify or create inclusive employment opportunities, including through use of flexible working arrangements and by partnering with disability employment providers for identified roles	
A4.2.4	The tender evaluation process for providers of trainee and apprentice programs will include criteria to consider improvement of opportunities for people with disability	
A4.3.1	Provide ongoing advocacy and promotion of resources to businesses to raise awareness of the benefits and supports for employing people with disability	

Development contributions and development levies have been used or expended
