

Aerial Spraying of Bitou Bush

Shoalhaven City Council intends to conduct aerial weed spraying in early August along the cliff line at Red Head in Bendalong. The work is scheduled for the week commencing 5 August, an exact time and date cannot be given as it is subject to favourable weather conditions. The spraying will target the priority weed Bitou Bush and will require the area to be closed off to the public for several hours whilst the spraying is being conducted.

Closure notices and service personnel will be at the main access points throughout the operation. Beach users are urged to be aware of notices and personnel. For further information please contact Shoalhaven City Council on **1300 293 111** and ask to speak to the Biosecurity Coordinator.
