Applicants are requested to complete the checklist (left hand column) using the explanatory information contained in the Development Application Guide, and submit the checklist to Council with your application. Submission of all required information will ensure that your application processing time is minimised and not subject to unnecessary delays.

In some cases issues may arise in the assessment of the application, that requires the submission of additional information by you. By providing all the information identified in the checklist when you lodge your application the likelihood of this occurring will be minimised.
