

Office Use Only – Application No.
 /

(Please refer to DA Guidelines 15.16)

This document is not suitable for anything other than single dwellings, alterations and additions and ancillary structures. Please provide a more detailed Statement of Environmental Effects for other development types.

1 Legal Requirements

- Is your proposal:
- a) permissible in the zone? No Yes
 - b) consistent with the zone objectives? No Yes
 - c) in accordance with any relevant development control plan? No Yes

If you answered "No" to any of the above, you should make an appointment to discuss your proposal with relevant staff before lodging a development application.

Does the development trigger the NSW Biodiversity Offset Scheme? No Yes

You must check the NSW Biodiversity Offset Tool to provide evidence at <https://www.lmbc.nsw.gov.au/Maps/index.html?viewer=BOSETMap>.

Provide evidence You must attach a Biodiversity Development Assessment Report (BDAR).

2 Context and Setting (site analysis)

- Is the development out of character with the area? *(For example, does your proposal involve a commercial or industrial use in a residential area)* No Yes
- Will the development:
- a) be visually prominent within the existing landscape? No Yes
 - b) have any impact on any item of heritage or cultural significance? No Yes

Comments: _____

3 Traffic & Transport

- Is coincidental legal and practical access available? No Yes
- Is adequate servicing available? No Yes

Comments: _____

4 Development in the Jervis Bay region

- Is your property within the Jervis Bay region? No Yes
- If yes -
- Has consideration been given to the objectives of Clause 7.20 of the Shoalhaven Local Environmental Plan 2014 No Yes

5 Environmental Impacts (air, soils, water, flora & fauna hazards)

Could the proposal:

a) have any impact on the local climate?	No	<input type="checkbox"/>	Yes	<input type="checkbox"/>
b) result in soil contamination	No	<input type="checkbox"/>	Yes	<input type="checkbox"/>
c) cause erosion or sedimentation of water courses during construction or on completion?	No	<input type="checkbox"/>	Yes	<input type="checkbox"/>

Does the proposal require excavation and/or filling? No Yes

Will the proposal:

a) emit fumes, steam, smoke, vapour or dust as a result of its operation?	No	<input type="checkbox"/>	Yes	<input type="checkbox"/>
b) will the proposal affect native vegetation?	No	<input type="checkbox"/>	Yes	<input type="checkbox"/>
c) affect native habitat?	No	<input type="checkbox"/>	Yes	<input type="checkbox"/>
d) disturb any aboriginal artifacts or relics?	No	<input type="checkbox"/>	Yes	<input type="checkbox"/>

If you answered yes to (b) or (c), has an Assessment of Significance on threatened species been undertaken? No Yes

Is the site subject to natural hazards such as Bushfire Flooding Tidal Inundation Landslip Other? Please describe:

Are there any technological hazards associated with the proposal such as Dangerous Goods Toxic Waste Radiation Hazardous Chemicals Other?

Please describe:

Comments:

6 Social and Economic Impacts

Will the proposal affect the amenity of surrounding residences by overshadowing, loss of privacy, increased noise or vibration? No Yes

Will the proposal have any economic consequences in the area No Yes

Comments:

7 Waste Disposal

How will effluent be disposed of? To Sewer On-Site Other

Will the proposal lead to discharges of stormwater or waste into a natural water system? No Yes

Will Trade Waste be discharged to Council's Sewer? No Yes

What other solid and liquid wastes will be generated and how will they be disposed of?

Comments:

Notes:

- If you have answered "Yes" to any item in questions 2,3,4,5 or 6 you should provide details of the likely impact(s) and the proposed means of mitigating or reducing such impact(s). If your proposal involves significant removal of vegetation or will affect native habitat, a Fauna Management Plan and/or Vegetation Management Plan may be required as a condition of consent. If insufficient space has been provided, attach additional sheet(s).
- Where development is classified as "Designated Development" a formal Environmental Impact Statement is required.
- If your site is within the area to which the Jervis Bay Regional Environmental Plan applies then you must also complete the Jervis Bay REP Checklist.
- The above "Statement of Environmental Effects" is not exhaustive and should be augmented where appropriate.
