Notes:

- If you have answered "Yes" to any item in questions 2,3,4,5 or 6 you should provide details of the likely impact(s) and the proposed means of mitigating or reducing such impact(s). If your proposal involves significant removal of vegetation or will affect native habitat, a Fauna Management Plan and/or Vegetation Management Plan may be required as a condition of consent. If insufficient space has been provided, attach additional sheet(s).
- Where development is classified as "Designated Development" a formal Environmental Impact Statement is required.
- If your site is within the area to which the Jervis Bay Regional Environmental Plan applies then you must also complete the Jervis Bay REP Checklist.
- The above "Statement of Environmental Effects" is not exhaustive and should be augmented where appropriate.
