Important information

Public Access to information

Pursuant to the *Government Information (Public Access) Act 2009* (GIPA Act) Council is required to make certain information publicly available, including by way of publication on public registers and on its website. Information submitted on and with this form may be made available to the public, unless there is an overriding public interest against disclosure of this information. Council is obliged to make information available on its website excluding the following:

- the plans and specifications for any residential parts of a proposed building, other than plans that merely show its height and its external configuration in relation to the site on which it is proposed to be erected; or
- commercial information, if the information would be likely to prejudice the commercial position of the person who supplied it or to reveal a trade secret.

Privacy

The personal information that Council is collecting from you on submission of this form is personal information for the purposes of the *Privacy Act 1998.* The intended recipients of the personal information are officers within the Council and third parties for the purpose of assessing the application as well as any person wishing to inspect the application in accordance with the *Local Government Act 1993* or the GIPA Act. The personal information may also be included on a public register and displayed on Council's website. The supply of personal information by you is voluntary. However, if you cannot provide or do not wish to provide the information required, Council will be unable to process your application. You may make application for access to, or amendment of, information held by Council. You may also make a request that Council suppress your personal information from a public register. Council will consider any such application in accordance with the relevant legislation. Enquiries concerning this matter can be addressed to Council by telephoning (02) 4429 3111
