

Household Bulky & Garden Organics Waste

ON-CALL PICK UP SERVICE

Bookings Call 4429 5681
or greenandbulky@shoalhaven.nsw.gov.au

Can't get your large items or garden waste to our Depots?

Contact Shoalhaven City Council to organise an on-call pick up from your address.

You don't have to wait for the collection vehicle, simply leave your items outside your fence or property boundary the day prior to pick up!

This is a convenient service to use when moving house, decluttering, or replacing old furniture and household appliances.

What we accept?

Pick-up of 'Bulky Waste' is restricted to items that can **be easily and safely carried by two people**. We do not use machinery to lift items into the truck.

If you and ONE other person are unable to lift or carry a large item to the kerbside (without risk of injury), our team won't be able to either. Therefore the items cannot be accepted.

- We only collect items that are neatly presented on your kerbside.
- Small items must be bagged or boxed for easy handling.
- Please do not break up furniture as all items in reasonable condition may be reused or recycled.
- Large, cumbersome items such as bed frames, trampolines, swing sets **must be dismantled prior to collection.**
