

Council Reference: 61317E (D24/30733)

25/01/2024

Dear Resident,

Planned Temporary Full Road Closure Wattamolla Road, Culvert Replacement

Council is conducting stormwater drainage infrastructure repair work along Wattamolla Road, Wattamolla. The work will take place at two (2) sites, please see below.

Stormwater repair site 1 (NH00041) – near rural address 1153 Wattamolla Road

Works have commenced and are expected to be completed by early February 2024. The road will be under single lane contraflow arrangements for the duration of the project, please expect minor delays (of up to 30 mins) during works.

Stormwater repair site 2 (NH00043) – near rural address 581 Wattamolla Road

Works are planned to commence Monday 5 February and are expected to be finished by Wednesday 7 February 2024.

A full road closure is required for two (2) days during this week, pending weather conditions. This closure will take place between 7:00am and 5:00pm, the road will be reopened for traffic outside those hours.

No vehicle access is permitted during the closure. However, pedestrian access under escort by traffic control will be facilitated as needed. Please note in a case of an emergency, access will be provided as soon as possible for emergency services.

If works run over these two (2) days, measures will be put in place to allow the road to be trafficable. Please exercise caution and be aware of signage at this location.

Updates regarding this project:

To keep up to date with the progress of works, go to Council's website and see the project page below, subscribe to receive notifications of any changes.
