Sustainability Education Performance for Primary and Preschools

Eaton Gorge Theatre Company have a long association with Shoalhaven City Council, delivering important environmental messages for young audiences.

Shows focus on
WASTE REDUCTION • REUSING • RECYCLING
and are appropriate for Stages P - 6.

These fun, highly entertaining performances offer plenty of audience participation with the adults in the room learning something too!

Early education about our environmental impact can be the starting point for adopting lifelong sustainable habits.

Bookings can only be arranged by schools.
