Dear Resident

Upper Kangaroo River Road remains open for Guardrail Installation

Following our previous letter of notification dated 15/01/2024, council reference: 75111E/4 (D24/14996), Council advises the original proposed closure of the bridge over the Barrengarry Creek (Site 1) for the installation of the guardrails will not be necessary.

Construction at Guardrail Installation Site 1 is now scheduled to commence Tuesday 30 January 2024 and expected to be completed on Wednesday 7 February 2024, weather permitting.

Work will be undertaken between the hours of 7am to 5pm (Mon-Fri) and if required 7am to 1pm (Sat).

Site traffic will be managed by authorised traffic controllers with single lane contraflow traffic conditions during construction hours. Delays and changes to regular traffic conditions can be expected.

Council appreciates your patience and understanding throughout the construction period noting the works will be inconvenient for many.

Keeping up to date

To allow residents to keep up to date on the work, a project page/web page was created by council.

[Upper Kangaroo River Road - Kangaroo Valley - Landslip | Shoalhaven City Council \(nsw.gov.au\)](http://shoalhaven.nsw.gov.au/Upper-Kangaroo-River-Road-Kangaroo-Valley-Landslip)

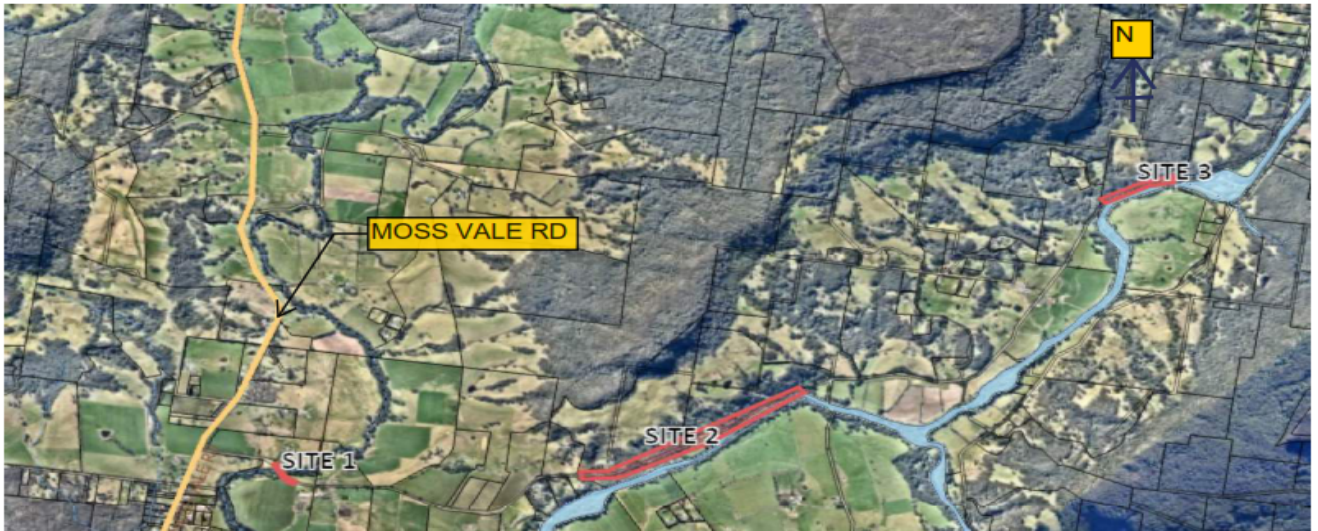

If you need further information about this matter, please contact Leon McCarthy, City Services on 1300 293 111 or Matt Brown (Euro Civil) on 0427743129. Please quote Council's reference 75111E/4 (D24/28000).

Yours faithfully

Stanley Oguine
Project Engineer
