Introduction

This report provides a summary of external stakeholder survey responses provided as part of a *Shoalhaven City Council Community Infrastructure Audit 2024* (Community Infrastructure Audit / Audit).

The Audit included targeted stakeholder and community engagement activities to gauge utilisation and customer satisfaction data for a range of sites. The Audit engagement activity was undertaken from 22 May – 12 June 2024.

The Community Infrastructure Audit was prepared by Xypher Sport + Leisure in close collaboration with Shoalhaven City Council's (Council's) Open Space & Planning Team and Asset Management Advisors.

The Audit provides a key base of evidence for the review of Council's *Community Infrastructure Strategic Plan 2017-2036* (CISP) by collating and presenting data on the provision, condition and use of open space and community facilities.

A summary of the outcomes of the external stakeholder engagement activity is provided in this report. Summaries of the outcomes of the associated community, management committee and tenant engagement activities are provided in separate reports published to the CISP Review Get Involved page on Council's website.

This report should be read in conjunction with the:

- *Community Survey Responses: Community Infrastructure Audit Engagement Activity 22 May – 12 June 2024*
- *Management Committee, Lessee & Licensee Survey Responses: Community Infrastructure Audit Engagement Activity 22 May – 12 June 2024*
- *Shoalhaven City Council Community Infrastructure Audit 2024.*

To access these documents, please visit the CISP Review Get Involved page on Council's website.

About the Stakeholder Engagement Activity

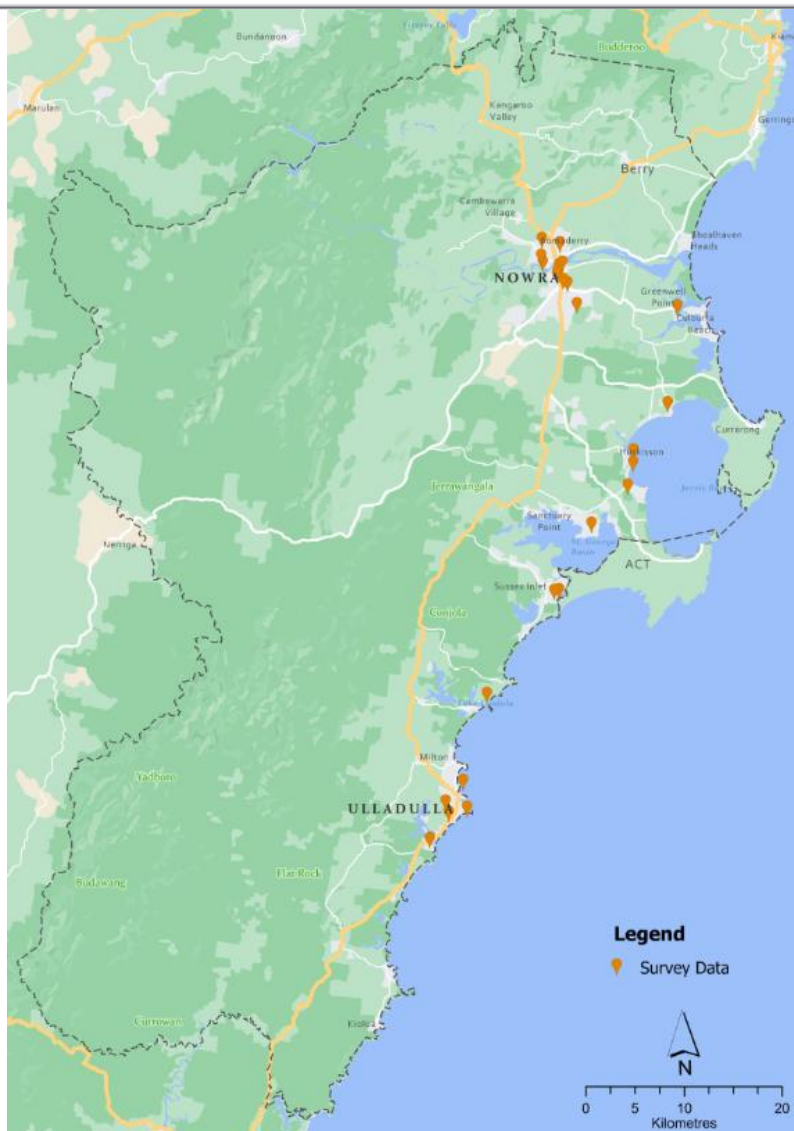

As a component of the Community Infrastructure Audit, identified external stakeholders were invited to complete surveys for a selection of 25 sample sites.

Invitations to participate in the survey were issued via direct email to 321 stakeholders, including to community and sporting groups who regularly hire one of the 25 sites.

Responses were received for 22 out of the 25 sites, with a total of 105 responses received.

The 25 sample sites were identified as facilities where more information was required to guide recommendations in the revised CISP. The selected sites are a representative mix of community buildings, sporting facilities, pools, parks and reserves from across the Shoalhaven Local Government Area and are listed below.

25 Sites for Community Survey

No.	Location	# Stakeholder Responses
1	Lyrebird Sports Park, Nowra	25
2	SCaRP	17
3	Ulladulla Sports Park	9
4	Thomson Street Sporting Complex, Sussex Inlet	8
5	Callala Bay Sporting Facility	6
6	Nowra Showground	6
7	Ison Park, Nowra	5
8	Lighthouse Oval, Ulladulla	5
9	Greenwell Point Memorial Community Centre	4
10	Nowra School of Arts	4
11	Moona Moona Creek Reserve, Huskisson	2
12	Nowra Aquatic Park	2
13	White Sands and Voyager Park, Huskisson	2
14	Yulunga Community Hall and Reserve, Manyana	2
15	Francis Ryan Reserve, Sanctuary Point	1
16	Lions Park, Burrill Lake	1
17	Marriott Park, Nowra	1
18	Mollymook Beach Reserve	1
19	North Nowra Community Centre	1
20	Sussex Inlet Aquatic Centre	1
21	Ulladulla Leisure Centre	1
22	Vincentia Public Hall	1
23	Erowal Bay Public Hall	0
24	Joe Hyam Reserve, North Nowra	0
25	Shoalhaven Hockey Centre, North Nowra	0

Collated Survey Responses for 25 Sites

External stakeholder responses were received for 22 out of the 25 sample sites. Collated survey responses for the 22 sites have been placed in alphabetical order (by site). Survey summaries for each site provide information on:

- Open Feedback Themes
- Satisfaction with Facility
- Reason for Satisfaction Rating
- Importance of Facility
- Usage of Facility #
- Existing Activity at Facility
- Future Usage

Utilisation data has not been independently verified by Council. Utilisation data is relevant to the stakeholder groups who completed surveys only and may not represent the total usage of the site.

A complete list of the external stakeholder survey questions is provided below.

Survey Questions

No.	Question
1	Please tell us which facility you are providing feedback on (select one).
2	What is your name?
3	What is your email address?
4	Name of your Club or Group
5	Please estimate the number of hours the facility chosen in Question 1 is used by your organisation each week (select one)
6	On which day/s is the facility normally used by your organisation?
7	Are all parts of the facility used by your organisation?
8	Which part/s of the facility are used regularly?
9	What type/s of activities does your group use the facility for? (select all that apply)
10	Is this facility used by other community or sporting groups?
11	How satisfied are you with this facility? (select one)
12	Please tell us why you have given this satisfaction rating (select all that apply)
13	Overall, how important is the facility to your organisation?
14	Is your facility likely to change in the next 12 months?
15	If yes, how?
16	Is there anything else you would like to tell us about this facility?

Callala Bay Sporting Complex

Responses received from 3 stakeholder groups

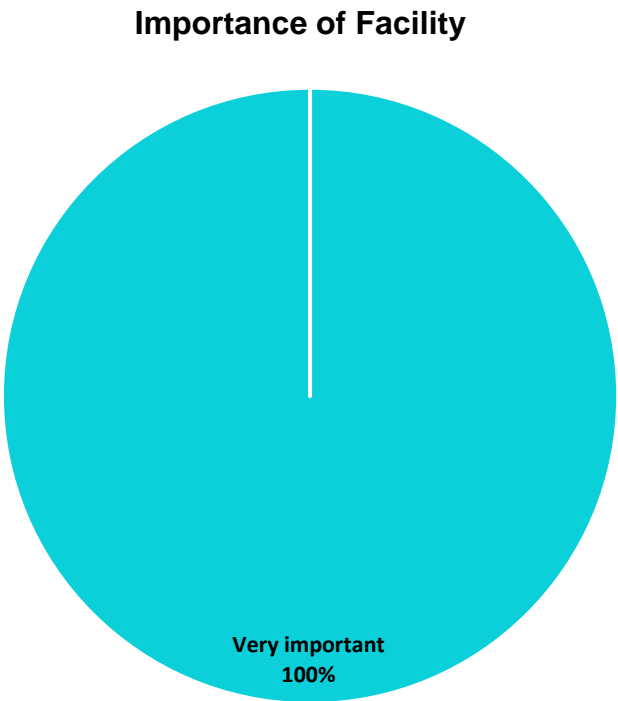

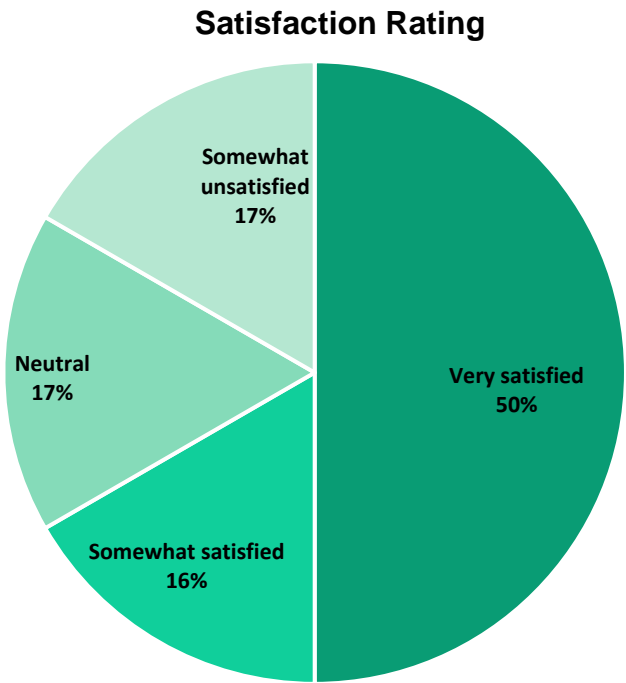

Open Feedback Themes:

- Stakeholder Sentiment:
 - Facility is ageing
 - Facility is valued by the community
- Suggested Improvements:
 - Additional undercover seating / extension to existing pergola
 - BBQs
 - Lighting upgrade
 - Playground

Callala Bay Sporting Complex

Usage and Satisfaction

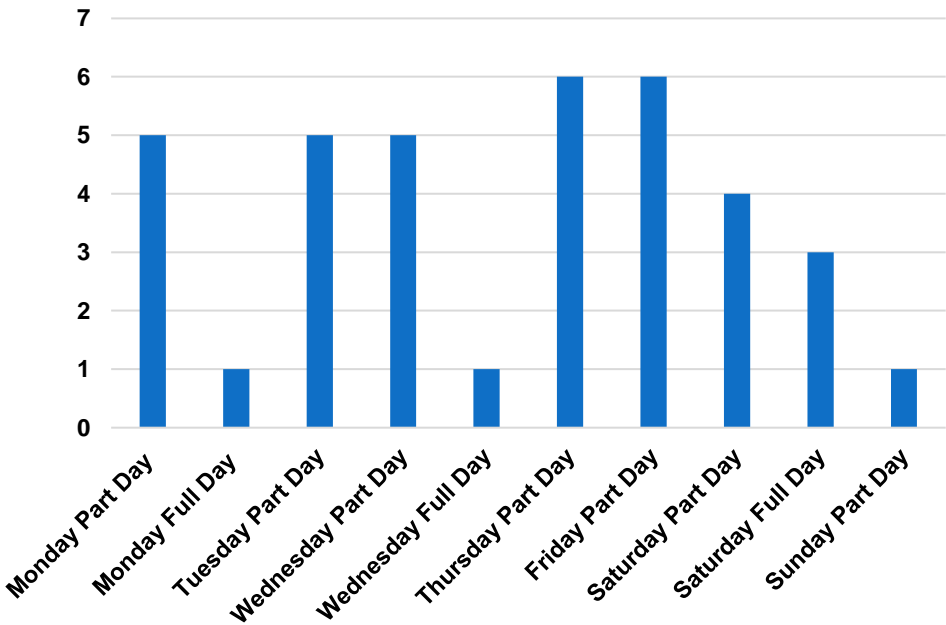

Callala Bay Sporting Complex

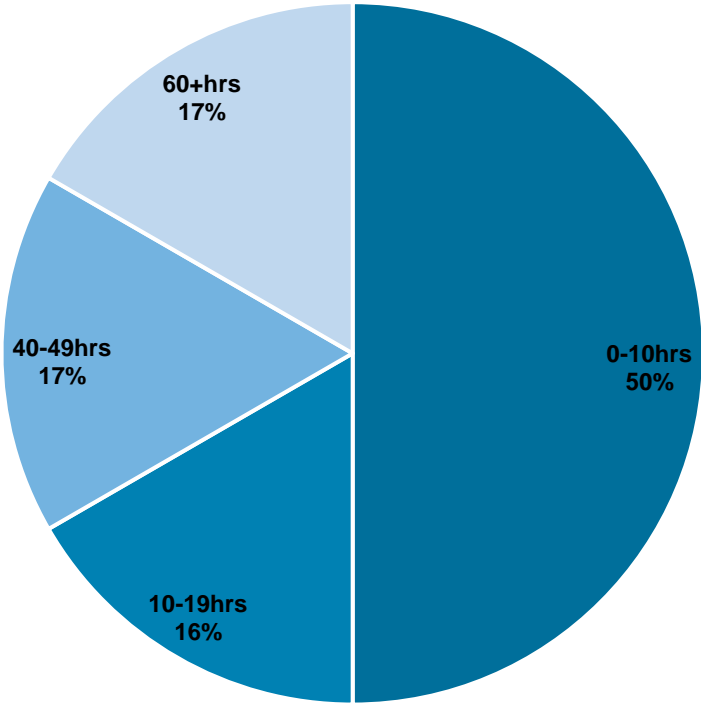

Current Usage

- All parts of the facility are used
- Used by multiple community / sporting groups

Usage – Days p/week

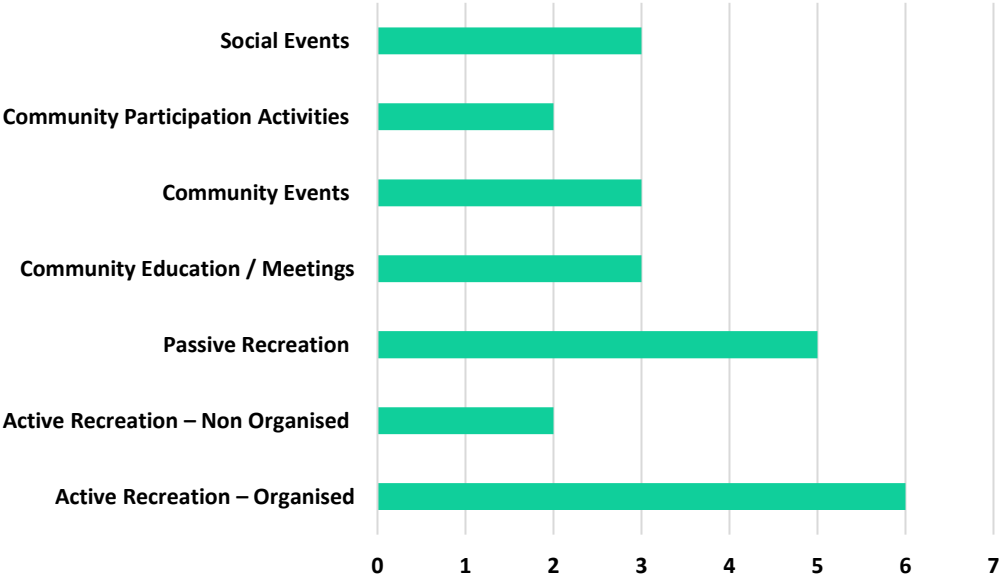

Usage – Hours p/week

Callala Bay Sporting Complex

Existing Activity at Facility

Future Usage

- Use of the facility is not expected to change in the next 12 months

Francis Ryan Reserve, Sanctuary Point

Responses received from 1 stakeholder group

Open Feedback Themes:

- Suggested Improvements:
 - Upgraded infrastructure (football shed unusable due to fire)

Francis Ryan Reserve, Sanctuary Point

Importance of Facility: Very Important

Satisfaction Rating: Somewhat Unsatisfied
