1. Introduction

This report provides a summary of survey responses received from management committees, lessees and licensees operating Council-owned community facilities. The surveys were undertaken as a component of a *Shoalhaven City Council Community Infrastructure Audit 2024* (Community Infrastructure Audit / Audit).

The Audit included targeted engagement activities to gauge utilisation and customer satisfaction data for a range of sites. The engagement activity was undertaken from 22 May – 12 June 2024.

The Community Infrastructure Audit was prepared by Xypher Sport + Leisure in close collaboration with Shoalhaven City Council's (Council's) Open Space & Planning Team and Asset Management Advisors.

The Audit provides a key base of evidence for the review of Council's *Community Infrastructure Strategic Plan 2017-2036* (CISP) by collating and presenting data on the provision, condition and use of open space and community facilities across the Shoalhaven Local Government Area.

This report summarises the 62 responses received from management committees, lessees and licensees via the surveys. Summaries of the outcomes of the associated community and external stakeholder engagement activities are provided in separate reports published to the CISP Review Get Involved page on Council's website.

This report should be read in conjunction with the:

- *Community Survey Responses: Community Infrastructure Audit Engagement Activity 22 May – 12 June 2024*
- *External Stakeholder Survey Responses: Community Infrastructure Audit Engagement Activity 22 May – 12 June 2024*
- *Shoalhaven City Council Community Infrastructure Audit 2024.*

To access these documents, please visit the CISP Review Get Involved page on Council's website.

[Community Infrastructure Strategic Plan \(CISP\) Review | Get Involved Shoalhaven \(nsw.gov.au\)](https://www.shoalhaven.nsw.gov.au/cisp-review-get-involved)

A complete list of the survey questions issued to management committees, lessees and licensees is provided below.

1.1 Survey Questions

No.	Question
1	What is the name of the facility you manage?
2	What is the name of your committee / organisation?
3	Please estimate the number of hours the facility chosen in Question 1 is used by your organisation each week
4	On which day/s is the facility normally used?
5	What are the busiest days and times at the facility?
6	Are all parts of the facility used?
7	Which part/s of the facility are used most regularly?
8	Which sporting groups are the main users of the facility?
9	Please describe your level of satisfaction with the facility.
10	What are the main factors that have led to your satisfaction rating?
11	Overall, how important is the facility to you / your group?
12	Is the use of this facility likely to change in the next 12 months?
13	If yes, how?
14	Is there anything else you would like to tell us about this facility?

2. Survey Responses

Management committee, lessee and licensee survey responses have been placed in alphabetical order (by site). Survey summaries for each site provide information on:

- Open Feedback Themes
- Users
- Importance of Facility
- Satisfaction with Facility
- Reason for Satisfaction Rating
- Current Usage #
- Future Usage

Utilisation data has not been independently verified by Council. Data is only relevant to those parts of facilities managed / occupied by management committees / tenants.

2.1 Berry Equestrian Centre - Shoalhaven Equestrian Centre of Excellence

Berry Equestrian Centre

Open Feedback Themes:

- Growing membership base: currently sitting at 550 members
- No permanent amenities building, reliance on temporary facilities
- High usage throughout the year

Users:

- Equestrian Disciplines:
 - Dressage
 - Show jumping,
 - Eventing,
 - Working equitation,
 - Social riders,
 - Junior & senior riders

Importance: Very Important

Satisfaction: Satisfied
