Dear Resident

Upcoming works – Comerong Island Ferry – 5 Year Out of Water Survey – Inspection & Refurbishment

Council wishes to remind you of the compulsory out of water survey and inspection of the Comerong Island Ferry with the schedule for activities to be carried out as follows:

Activity	Estimate Timeline
Resident vehicles moved to mainland/replacement boat activation	1-9 September 2025
Ferry preliminary works	8-15 September 2025
Ferry removal from water	15 September 2025
Compliance certificate issued and ferry returned to operation	21 November 2025

The works may last for 12 weeks and there will also be no vehicular access to the Island during the period. The period the ferry is out of water alternative transport will be provided for resident only access.

Council have also attached an Emergency Plan for the period of the works only for your information and review.

In addition to your vehicles relocating to the mainland, residents are expected to also move their waste bins to the mainland to ensure the weekly waste collection is continued.

Progress updates on works will be advised on Council's project page.
